What do I have to do to get a good mark?

Assessment Guidance for Part A

Learning Objectives

By the end of BOTH submissions (Part A + B)

- Recognise, identify and select learning environments that support the development of creative learning and teaching.
- Critically reflect on strategies that impact on the distinctive role of the educator when developing creative and innovative pedagogies and environments.
- Critically reflect upon the educational potential of developing enterprise and creativity in the primary school.
- Demonstrate a critical awareness of the contribution of creativity and enterprise to educational practice.

So what's the question again?

what does this 'approach phrase' mean?

Critically evaluate your creativity and enterprise dispositions in terms of the Entrecomp framework and how you might develop these to the next level and demonstrate progression.

There will be common aspects to all, intro with benefits of being creative etc. BUT we will choose different competences and depending on depth of reading, different support!

Especially YOUR recommendations for development, independent thought!

SUBMISSION DETAILS: 15/12/17

Entrecomp frame

Identify your own strengths and weaknesses as a teacher.

What is the evidence that you could use?

Critically evaluate

Weigh arguments for and against, assess the strength of evidence on both sides. Use criteria to guide your assessment of which opinions, theories, models or items are preferable.

What is our criteria for this assessment?

These Competences may have their OWN set of Criteria (identified from your research) that you would use specifically to evaluate your strengths and weaknesses against for THAT competence.

What is the evidence that you could use?

Your own reflections (ARC)

What could you do to get EVEN better at the identified competences?

How could you identify your 'Level'?

What will you use for evidence of progression?

Example of thinking?

Table 1: Entrepreneurial conceptual model

Areas	Competences	Skills	Descriptions
1. Ideas and opportunities	1.1 Spotting opportunities	Use your "sharp" observation and abilities to identify opportunities for creating value	- Identify and seize opportunities to create value by exploiting the social, cultural and economic landscape - Identify needs and challenges that need to be met - Position new connections and bring together scattered elements of the landscape to create opportunities to create value
	1.2 Creativity	Develop creative and purposeful ideas	- Develop shared ideas and opportunities to create value, including better solutions to existing and new challenges - Design and experiment with innovative approaches - Combine knowledge and resources to achieve valuable effects
	1.3 Vision	Work towards your vision of the future	- Imagine the future - Develop a vision to turn ideas into action - Visualize future scenarios to help guide effort and action
	1.4 Validating ideas	Make the most of ideas and opportunities	- Assess what value to social, cultural and economic terms - Recognize the potential an idea has for creating value and identify suitable ways of making the most out of it
	1.5 Ethical and sustainable idea thinking	Assess the consequences and impact of ideas, opportunities and actions	- Assess the consequences of ideas that bring value and the effect of entrepreneurial actions on the target community, the market, society and the environment - Reflect on how sustainable long-term social, cultural and economic goals are, and the course of action chosen
2. Resources	2.1 Self-awareness and self-efficacy	Believe in your self and keep developing	- Reflect on your needs, aspirations and wants in the short-, medium and long term - Identify and assess your individual and group strengths and weaknesses - Believe in your ability to influence the course of events, despite obstacles, setbacks and temporary failure
	2.2 Motivation and perseverance	Stay focused and don't give up	- Be determined to turn ideas into action and satisfy your need to achieve - Be persistent to be patient and keep trying to achieve your long-term individual or group aims - Get motivated under pressure, adversity, and temporary failure
	2.3 Mobilizing resources	Gather and manage the resources you need	- Get and manage the material, non-material and digital resources needed to turn ideas into action - Make the most of limited resources - Get and manage the competences needed at any stage, including technical, legal, tax and digital competences
	2.4 Financial and economic literacy	Develop financial and economic know-how	- Estimate the cost of turning an idea into a value-creating activity - Plan, put in place and evaluate financial decisions over time - Manage financing to make sure my value-creating activity can last over the long term

	Motivation and perseverance	Stay focused and don't give up.	Be determined to turn ideas into action and satisfy your need to achieve. Be patient and keep trying to achieve your long-term individual or group aims. Be resilient under pressure, adversity, and temporary failure.	Stay driven.	I am driven by the possibility to do or contribute to something that is good for me or for others.	I am motivated by the idea of creating value for myself and others.	I can anticipate the feeling of achieving my goals and this motivates me.	I can regulate my own behaviour to stay driven and achieve the benefits of turning ideas into action.				
				Be determined.	I see tasks as challenges to do my best.	I am motivated by challenges.	I can set challenges to motivate myself.	I am willing to put effort in and use resources to overcome challenges and achieve my (or my team's) goals.	I drive my effort by using my desire for achievement and belief in my ability to achieve.	I can coach others to stay motivated, encouraging them to commit to what they want to achieve.	I can create the right climate to motivate my team (for example, by celebrating successes, by learning from failures and by encouraging innovative ways to tackle problems).	I consider all outcomes as temporary solutions appropriate to their time and context, and so am motivated to make sure they develop in a continuous cycle of improvement and innovation.
				Focus on what keeps you motivated.		I can recognise different ways of motivating myself and others to create value.	I can reflect on the social incentives associated with having a sense of initiative and creating value for myself and others.	I can tell the difference between personal and external factors that motivate me or others when creating value.	I can use strategies to stay motivated (for example, set goals, monitor performance and evaluate my progress).	I can use strategies to keep my team motivated and focused on creating value.	I can design effective ways to attract talented people and keep them motivated.	I can reward initiative, effort, and achievement appropriately within my team and organisation.
				Be resilient.	I show passion and willingness to achieve my goals.	I am determined and persevere when trying to achieve my (or my team's) goals.	I can overcome simple adverse circumstances.	I can judge when it is not worth continuing with an idea.	I can persevere in the face of adversities when trying to achieve my goals.	I can devise strategies to overcome standard adverse circumstances.	I can cope with unexpected change, setbacks and failures (for example, job loss).	I can make sure that my team or organisation stay positive when making difficult decisions and dealing with failure.
				Don't give up.	I do not give up and I can keep going even when facing difficulties.	I am not afraid of working hard to achieve my goals.	I can delay achieving my goals in order to gain greater value, thanks to prolonged effort.	I can maintain effort and interest, despite setbacks.	I can celebrate short-term achievements, in order to stay motivated.	I can inspire others to work hard on their goals by showing passion and a strong sense of ownership.	I can stay focused on my vision and goals, despite challenges.
