Comments: Q1. You evince an acute awareness of issues related to 'development' as a concept, and also reveal an understanding of the differences between 'strong' & 'weak' sustainability. That said, there is a need for more detail with regards to the arguments of Becherman, Daly & Atfield, & references should be incorporated where necessary. Q2. You've done well to show an understanding of the difference between moral standing & moral status, & overall your answer displays a good grasp of the different normative stances in environmental ethics. However, close attention to the link between beneficence & morality is needed - drawing on Goodpaster & Atfield more explicitly &
