

Finding Peace in Your Study

Module Code: SICH4001

Module Tutor: Yue Li

Student Name: Siyu Liu(1804594)

Due Date: 20th Nov. 2020

Outline:

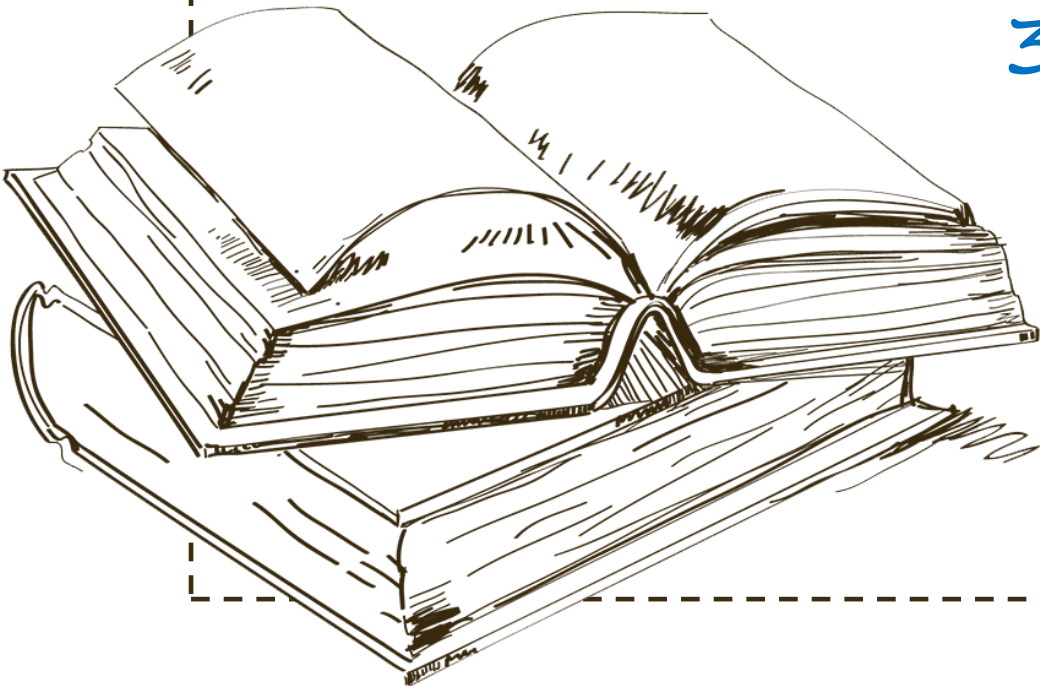

1. Focusing on and be diffused

2. The meaning of peace

3. The meaning of study

4. Further examples

5. Conclusion

1. Focusing on and be diffused

2.The meaning of peace

Peace: concentration & stability

Further meaning

A gentleman knows his position and status so he is calm and peaceful. He will do what he should do, and will not covet interests and reputation that do not belong to him.
Anyway, his heart is always quiet and calm.

——*The Doctrine of the Mean*

君子素其位而行，不願乎其外。.....君子無入而不自得焉。

——《中庸》

Confucius learning 'Guqin'

The philosophy of “finding peace” requires us to not only concentrate on one subject in our life, but also put our heart on anything we learn.

3.The meaning of study

poetry, book, etiquette and music are knowledge, but in a broad sense, knowledge comes from everywhere, like the way we handle things and the different types work we do as adults.

The so-called studies, is to learn the way to **be a man**.

4. Further examples

27: founded Kyocera (京瓷)

52: founded KDDI
(一家日本的电信运营商)

**In the
top 500**

78: rescue the bankrupting JAL (日本航空公司)

**Turned to profit 3 times of his rival
All Nippon Airways (全日空航空公司)**

Inamori Kazuo

← Child : filial piety

Student : respect
teachers, love
classmates and acquire
knowledge

Adult : work hard

If everyone can settle
down to learn what they
need to complete, their
happiness index will
increase.

5. Conclusion

know your goals and aspirations, then persist. After that, your vision will become clear and your mind will be calm and peaceful. Then you can research, study, distinguish, and see further. In the end, you get the essence.

——The *Great Learning*

知止而後有定，定而後能靜，靜而後能安，安而後能慮，慮而後能得。

——《大學》

Work
