5. PROFESSIONAL LIFE SKILLS

Skills for Life and Professional Practice: Communicate your work in a clear coherent and well-structured manner.

Introduction: Very good introduction. Structure: Well-structured presentation. - Introduction could be extended and contents of the presentation (perhaps with a table of contents) could be briefly reviewed before main presentation slides commence. Presentation format: Consistent design. Very Good.

82

Font size and clarity: Text size is clear and consistent in size. Good. Voice: Very nicely and clearly spoken, and at a good steady pace. Visuals: Very good use of images and illustrations. - Some animation effects could be added in places to add life and dynamism to the deck. Content: Slide content demonstrates good knowledge of the area, clearly documented and appropriate. Prototype / development work: Clearly documented and described. Excellent. Demo: Excellent. Conclusion: Very good. Overall: Very good.
