My name is Mishelle Bleda, and I am reaching out to express my interest for the waitress position at Peri Nice, as advertised on your site. I have 5 years of experience in the hospitality industry, especially in fast-paced environments. I can bring skill, loyalty and commitment into the team and I am hoping to be a part of your team. I am looking for a permanent job that will allow me to have a stable yet healthy relationship within the workplace.

In my previous work experience I've learnt how to manage difficult shifts without sacrificing my ability to provide excellent customer service. I thrive on good interactions, whether it's advising menu items or reassuring customers about their experience. I'm passionate about giving customers unforgettable experiences, and I'm dedicated to go above and beyond to surpass their expectations. I believe with my skill, techniques and dedication, I'd be a best fit for a role in your workplace (Peri Nice).

What most intrigued me about working at your restaurant was that I heard from many people who have told me that your restaurant's name is well known in this area and is well-spoken because of the particular menu you provide to customers. I think your menu options are quite extensive. You provide many individuals with a warm flavor of other cultures and an experience all at once, which is incredibly motivating. I was excited to attempt and join your team because I also believed that the abilities and certifications were really simple to pick up.

I appreciate you taking a look at my application. Being able to help add to Peri Nice's outstanding atmosphere and excellent reputation makes me very happy.

Kind regards,
Mishelle Bleda.
