LOCATION: YSGOL BAE BAGLAN

FOOTBALL FOR EVERYONE

10 WEEK TRAINING CAMP
AGES 7-11

PRESENTED BY JOE WADE

OVERVIEW OF OUR AIM

our aim is to build a sustainable and engaging session for children ranging from ages 7-11. We have opted with football as our sport as using information from the website Spond we can see that in the UK it is nearly 3 times as popular as any other sport and 10 times as popular as any outdoor or ball sport. This has led us to believe that we have a higher chance of getting more kids involved which is our overall goal for this project.

DETAILS BEHIND FOOTBALL FOR EVERYONE

01

COST OF SESSION

Each session will cost be free to any individual within the age range. We believe no child should miss out on sport because there parents cant afford it.

02

FACILITIES

We created a poll using our website to everyone who had sign up to find that AstroTurf was the most popular answer as it is more enjoyable than playing indoors on hard floor but also easier to acquire footwear compared to 4g.

03

SKILL LEVEL - AGE RANGE

We have estimated a number of around 30 participants, so will split them into two groups of younger and older and then subtly change it into skill level over the progressing weeks without the kids knowing, to make it as fair and as enjoyable as possible.

EQUIPMENT YOU'LL NEED

CLOTHING

Whatever your child feels comfortable in

FOOTWEAR

Specialized astro turf shoes or any form of trainers provide grip on grass and turf.

SHIN GUARDS

Protect players from injuries during tackles.

HYDRATION

Some form of hydration e.g. water, lucozade etc.

Above you can see what equipment and uniform your child would need to bring for our sessions

FIELD LAYOUT

This is a video link of where we will train , posted by the Ysgol Bae Baglan Community Hub Facebook page.

WHY WE WANT THIS

Using research from school sport survey 2018, we read that 63% of pupils enjoy PE lessons ‘a lot’ and 48% of pupils enjoy doing sport in after-school or lunchtime clubs (extracurricular sport) 'a lot'. Although that number has increased over the years we want everyone to enjoy and see a positive impact in there life due to sports participation.

INCREASING PHYSICAL ACTIVITY

For primary school pupils in Years 3-6, there is an average of 99 minutes of PE per week. For secondary school pupils in Years 7-11, there is an average of 95 minutes of PE per week.

CLOSING GENDER GAP

Football is the most popular sport for girls as 30% participate in it, with 21% being the participant rate for the second highest.

MIDFIELDERS & FORWARDS

Midfielders control the game and link defense to attack, while forwards create and finish scoring opportunities.

PARTNERS AND FUNDING

Tesco and The Sun have granted us £1000 pounds to be able to cover costs of certain aspects of our project. They will be providing £150k in grants of £1000 each to grassroots football clubs across the UK as well as raising awareness of the importance of children having opportunities to thrive through opportunities for more physical and mental wellbeing.

We have been lucky enough to be selected as one of these 150 football clubs/camps throughout the UK. Alongside this Ysgol Bae Baglan have gifted the pitch to us for free allowing us to have no fee for the kids to participate, therefore increasing numbers. In order for it to be free they suggested making the training shortly after school ends so it is more accessible for kids from the comprehensive and primary in that area.

WHERE THE MONEY WILL GO

Here you can see a breakdown of our costs and how we will utilize the £1000 grant that we have been given ‘footie for all’ fund

COACHES

We have 3 qualified coaches, two who will receive £20 for each session and the one leading the whole session will receive £30. Meaning £700 of the money will go to them across the 10 weeks.

EQUIPMENT

We have bought three 12- pack of MITRE size 4 balls for £50 each.
40 bibs for £20.
£15 for 100 cones.
Overall this adds an extra £185

ADVERTISEMENT

We will publish 200 posters costing £30.
200 leaflets costing £70.
50 participant awards for £15.
Overall this adds another £115 making our total price of £1000

THANK YOU FOR YOUR TIME!

Thank you for taking the time to explore the information and aims behind this project. We would appreciate any reposts or forwards of this to spread the word and include as many people as possible.
