

Library & Learning Resources

Work through the [Academic and InfoSkills](#) programme in Moodle.

[Library home page](#)

Use [Advanced Search](#) on the catalogue to search for books in stock and to search across most databases for journal articles and other resources.

Search individual [databases](#). There is an [A-Z](#) list of all our subscriptions. See the list of some relevant databases, such as PubMed and Proquest Central, for [nursing, health and social care](#).

Referencing

[Referencing](#) tutorial in Moodle. We strongly recommend completing Unit1: Academic Integrity & Avoiding Plagiarism.

[Cite Them Right](#) is a referencing database we subscribe to.

[RefWorks](#) is the research management tool that UWTSD subscribes to. It is cloud-based, so useful for storage as well as creating reference lists.

Referencing Handbook

You can find the updated Harvard Referencing Handbook at this link: [Referencing Handbooks | University of Wales Trinity Saint David \(uwtsd.ac.uk\)](#)
