Mae gan Mali ddwy nain –
Mam-gu sy'n Gymraes ac yn byw yng Nghaerdydd
a Mbuya (mBw-ia) o Zimbabwe sy'n byw yn Llundain.
Pan mae Mali yn gofyn i Mbuya wneud ei salad ffrwythau gwych,
mae'r tair yn galw yn y farchnad awyr agored.
Fodd bynnag, gan eu bod yn cael hwyl yn prynu'r
holl ffrwythau gwahanol, mae Mali yn colli rhywbeth!
A fyddant yn gallu dod o hyd iddo a gwneud
y salad ffrwythau gwych y mae Mali ei eisiau?

Mam-gu, Mali a Mbuya

Theresa Mgadzah Jones • Derek Bainton

Cyfieithwyd gan Manon Steffan Ros

"Diolch Mali!" meddai Mam-gu.
"Dere, cyn i ni golli'r trên!"
"Dewch, Mam-gu!
Mae'r trên yma ac
yn barod i adael!"
meddai Mali.
Caerdydd i Lundain!
Tocyn Hanner Pris!

Mae Mali'n hoffi ffrwythau,
ond dim ond mewn salad ffrwythau.
Mae hi wrth ei bodd yn gwneud
salad ffrwythau gyda'i Mam-gu.
Allwch chi ddyfalu pa ffrwythau
fydd Mam-gu yn eu rhoi yn ei
salad ffrwythau hi?

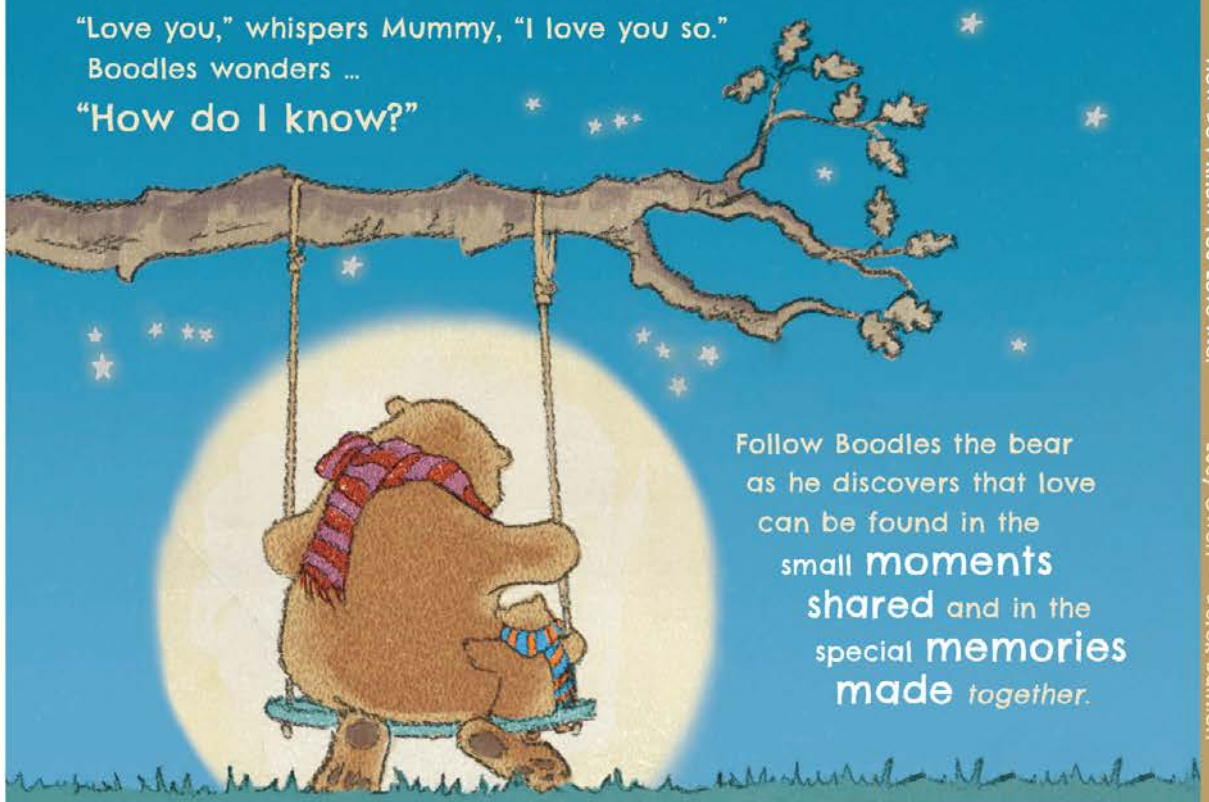

Ac mae Mali wrth ei bodd
yn gwneud salad ffrwythau
gyda Mbuya hefyd.
Ond mae salad ffrwythau
Mamgu a Mbuya yn wahanol iawn.
Allwch chi ddyfalu pa ffrwythau
fydd Mbuya yn eu rhoi
yn ei salad ffrwythau hi?

Felly, ar eu ffordd gartre i dŷ Mbuya,
mae'r tair yn galw yn y farchnad.

"O waw!" meddai Mam-gu. "Welais i erioed gymaint
o bethau mewn marchnad. Ac mae'r farchnad yma
tu fas, nid dan do fel yr un yng Nghaerdydd!"

“Gartre o’r diwedd!” meddai Mam-gu.
“Alla i ddim aros am
salad ffrwythau arbennig Mbuya!”

Croeso i Barc Rhanbarthol y Cymoedd, cartref i bron draean o'r boblogaeth ac i rai o dirweddau mwyaf trawiadol Cymru. Ar un adeg roedd cymunedau cryf ac adnoddau naturiol a chyfleoedd yn mynyddoedd a'r cymoedd hyn yn pweru'r chwyldro diwyddiannol a newidiodd y byd. Nawr, wrth i'r tirwedd wella o'i gorffennol diwydiannol, mae'r Cymoedd unwaith eto yn arwain y ffordd wrth ddangos sut gall asiffar ac ailgysylltu â'n tirweddau wella ein hiechyd, ein lles a'n ffyniant tymor hir.

Welcome to the Valleys Regional Park, home to nearly a third of the population and some of the most dramatic landscapes in Wales. The strong communities and rich natural resources of these mountains and valleys once powered the industrial revolution and changed the world. Now, as the landscape recovers from its industrial past, the Valleys are once again leading the way in showing how we can restore and reconnect with our landscapes for our long-term health, wellbeing and prosperity.

Pyrth Darganfod

Y Pyrth Darganfod yw eich porth at dreftadaeth cyfoethog, naturiol a diwylliannol y Cymoedd. Mae'r 12 Canolfan ar draws y parc rhanbarthol yn gamau tuag at storïr dirwedd ehangach, gan helpu pobl leol i gysylltu gyda'r natur sydd ar eu stepen drws, a rhoi cyfle i ymwelwyr ddarganfod mwy am yr hyn sy'n gwneud y Cymoedd mor arbennig.

Discovery Gateways

The Discovery Gateways are your portals into the rich natural and cultural heritage of the Valleys. The 12 Gateways across the regional park are stepping stones into the story of the wider landscape, helping local people to connect with the nature on their doorsteps, and giving visitors from further afield the chance to discover more about what makes the Valleys so special.

Tir i'w Archwilio

Mae'r parciau gwledig, gwarchodfeydd natur a'r safleoedd treftadaeth sy'n ffurfio'r Pyrth Darganfod yn cynnig pob math o brofiadau a chyfleoedd i'w harchwilio, ac mae pob un wedi'i gynllunio er mwyn dod â chi'n agosach at dir Cymru a'i storï. Wedi eu lleoli o fewn amgylchedd naturiol syfrdanol, mae Pyrth Darganfod Parc Rhanbarthol y Cymoedd yn cynnwys ystod o ddigwyddiadau cyffrous, cyfleoedd i wirfoddoli a chyfleusterau addysg, yn ogystal â chaffis hygyrch, canolfannau ymwelwyr a mannau chwarae. Set within a stunning natural environment, the Valleys Regional Park Discovery Gateways include a range of exciting events, volunteering opportunities and education facilities, as well as accessible cafes, visitor centres and play areas. There really is something for everyone.

Tirweddau ar gyfer Lles

Wrth i fyd natur wella ac wrth i'r Cymoedd droi'n wyrdd unwaith eto, caiff ein lles ei gefnogi mewn sawl ffordd. Mae mawndiroedd wedi'u hadfer, blodau gwyllt yn dychwelyd a choedwigoedd newydd yn glanhau'r aer ac yn dal carbon, sydd yn helpu i reoleiddio heriau newid hinsawdd trwy ddarparu cartrefi newydd ar gyfer bywyd gwyllt a chyfleoedd i fusnesau feol. Mae teithiau cerdded ysbrydoledig, traciau beic, llwybrau cefflylau a llwybrau mynydd yn cysylltu'r trefi â'r pentrefi gydai'r dirwedd ehangach, gan ddarparu cyfleoedd i archwilio, ymgysylltu ac ailgysylltu â'r harddwch naturiol sydd o'n cwmpas.

Landscapes for Wellbeing

As nature recovers and the Valleys become green once more, our wellbeing is supported in all sorts of ways. Restored peatlands, returning wildflowers and new forests are cleaning the air and capturing carbon, helping meet the challenges of climate change while providing new homes for wildlife and opportunities for local businesses. Inspiring walks, bike tracks, bridleways and mountain trails connect the towns and villages with the wider landscape, providing opportunities to explore, engage and reconnect with the natural beauty that surrounds us.
