

FINDING JSTOR ARTICLES IN THE UNIVERSITY LIBRARY

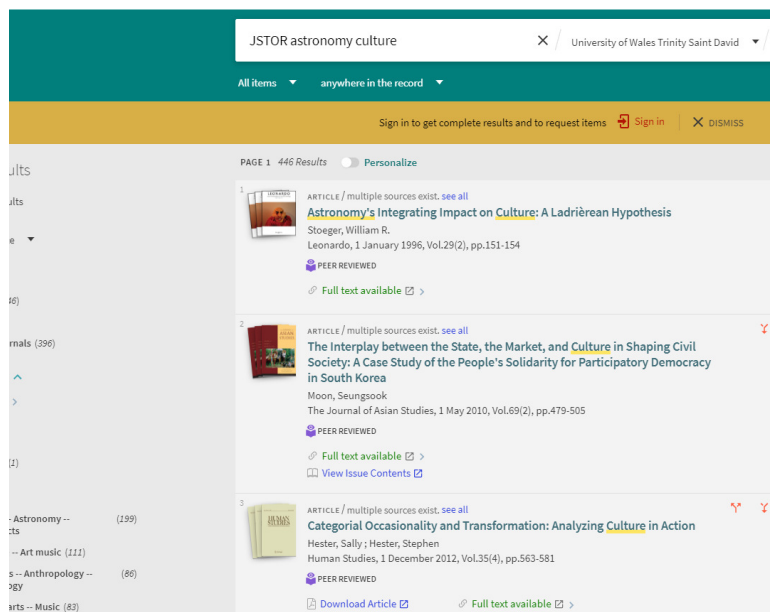

(JSTOR is the collection of digitised academic articles and papers)

STEP 1. Go to the University library catalogue at <https://www.uwtsd.ac.uk/library/>

And type in JSTOR and then your search words

STEP 2. Up comes a list of results

STEP 3

Scroll down until you find a title that interests you and then click 'whole text available' and pursue the links until the article opens.
