THE 4 PURPOSES of Curriculum for Wales

@ImpactWales

- * Why do we need the 4 Purposes for Curriculum for Wales?
 - * to set a common mission for all teachers & leaders.
 - * to support teachers & leaders to make appropriate choices about curriculum content & pedagogy
- * How should schools be using the 4 Purposes statements?
 - * as a set of guiding principles to aid planning decisions
 - * as an evaluation tool to identify pupils' greatest needs.
- * Create a curriculum driven by the 4 Purposes:-
 - * know which of the 4 Purposes pupils need the most
 - * create teaching & learning that addresses those needs
 - * support pupils to **progress** in those areas

The 4 Purposes of Curriculum for Wales are underpinned by:

Principles enshrined by UNITED NATIONS Convention on the Rights of the Child	Welsh Language and Culture	Principles of inclusive education	Community & civic role of schools	Health & well-being of pupils
--	----------------------------	-----------------------------------	-----------------------------------	-------------------------------

AIM

To establish a link of friendship between all partner schools, developing awareness and understanding of global issues and helping all participants become more active global citizens.

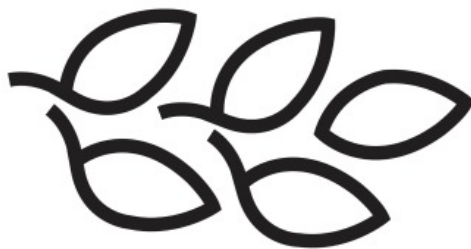

BOTAWA is a partnership between schools in Mochudi Botswana, Moshi Tanzania and Bridgend Wales which began in 2006 as a British Council Connecting Classrooms project.
