Yo g this is W. My bro told me about you and gave me this number. He showed me some of your stuff... your production sounds sick! I would love to work with you. If you've got any beats around 150-170bpm I would love to have a mess around with them. Anything Trap - Rap - RnB related.

Peace 🙌

Yo! I appreciate that and thanks for reaching out! I've got a couple of beats I can show you. Are you free to jump on a call later today?

Delivered
