Were there any parts of the module that were especially good?

The practical aspect breaks up theory & helps break the day up.

Are there any things you think we could do to improve and enhance the module?

Not currently.

Thank you for completing this feedback form.

Where does this feedback go next?

All your module feedback goes to a staff student committee, which is attended by lecturers, university staff such as library representatives and your elected students' union course reps. Your feedback and responses to the issues you've raised are discussed here.

You can see what was decided in the meetings by accessing the minutes on Moodle and by speaking to your elected students' union rep whose details you can find on [www.tsdso.co.uk](http://www.tsdso.co.uk)
