

A coastal scene at sunset. Large, dark, rounded rocks are scattered across the foreground and middle ground. In the background, a wooden pier or breakwater structure is visible against the horizon. The sky is a clear, pale blue, and the sun is low on the left, creating a bright lens flare that streaks across the lower left portion of the image. The overall mood is serene and contemplative.

REGAINING PARADISE: SUSTAINABILITY IN THE EARLY YEARS

BRACKLESHAM BAY

Man made problems require human solutions.

Inside the shell, there is the whisper
of a wave.

Inside a feather, there is the breath
of a breeze.

Inside an ember there is a memory
of a flame.

Inside a rock there is the murmur of
a mountain.

Inside a well there is an echo of a
wish.

Inside a seed there is the promise of
a flower
