

The background of the slide is a deep blue night sky filled with numerous stars and a faint, glowing band of the Milky Way galaxy. In the lower-left foreground, there is a white silhouette of a person's head in profile, facing right. A hand is raised from the back of the head, with fingers spread, as if gesturing or presenting. The overall composition suggests a theme of vision, presentation, or reaching for the stars.

**What is a bad
slide?**

Hateful slide

- Blah blah Blah blah Blah blah Blah blah Blah blah Blah blah Blah blah Blah blah Blah blah Blah blah.

Bad slide

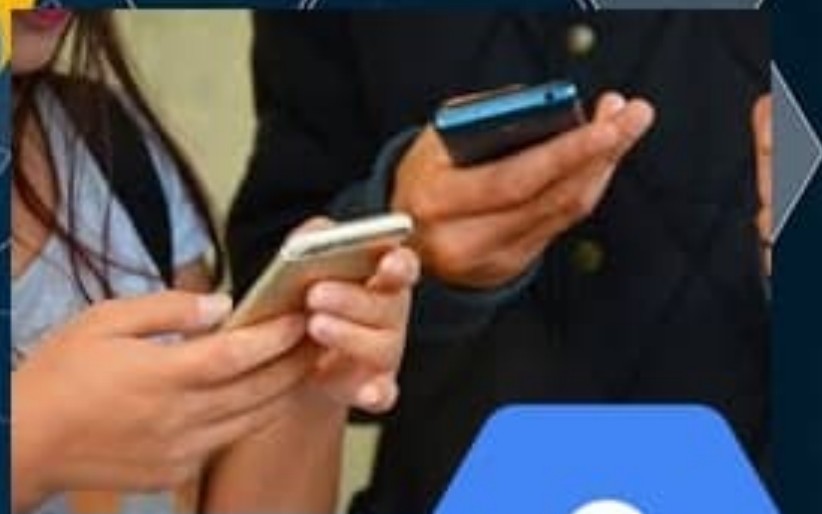

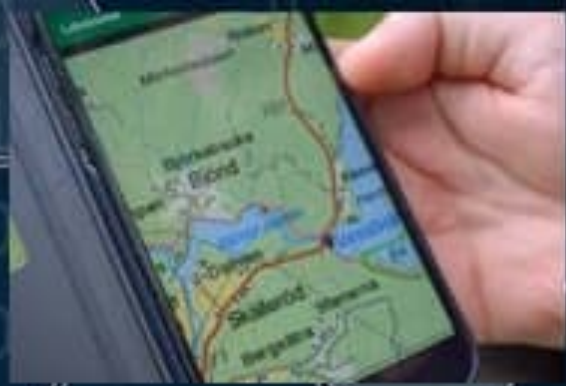

- **I am writing down everything I could possibly say about this slide**
- **Resulting in me reading all the text out loud**
 - But hey, that also means I do not have to make any contact whatsoever with my audience.
 - Yippee!
 - Shit, is my fly open? I feel a breeze
 - Why is that guy yawning over there?
 - I just love the Arial font, don't you?
 - I'm glad my secretary found this standard background, it is just so pretty to look at.
- **Could this possible get more lame?**
 - No, probably not
 - I should insert a joke, but I wouldn't know where to find one on the internet
 - If I bore everyone long enough, there will be no room for questions
 - The idea of interaction just made me pee in my pants
- **I hope no one notices I actually wish I was dead**
- **I've just forgotten my name...**

What is IoT?

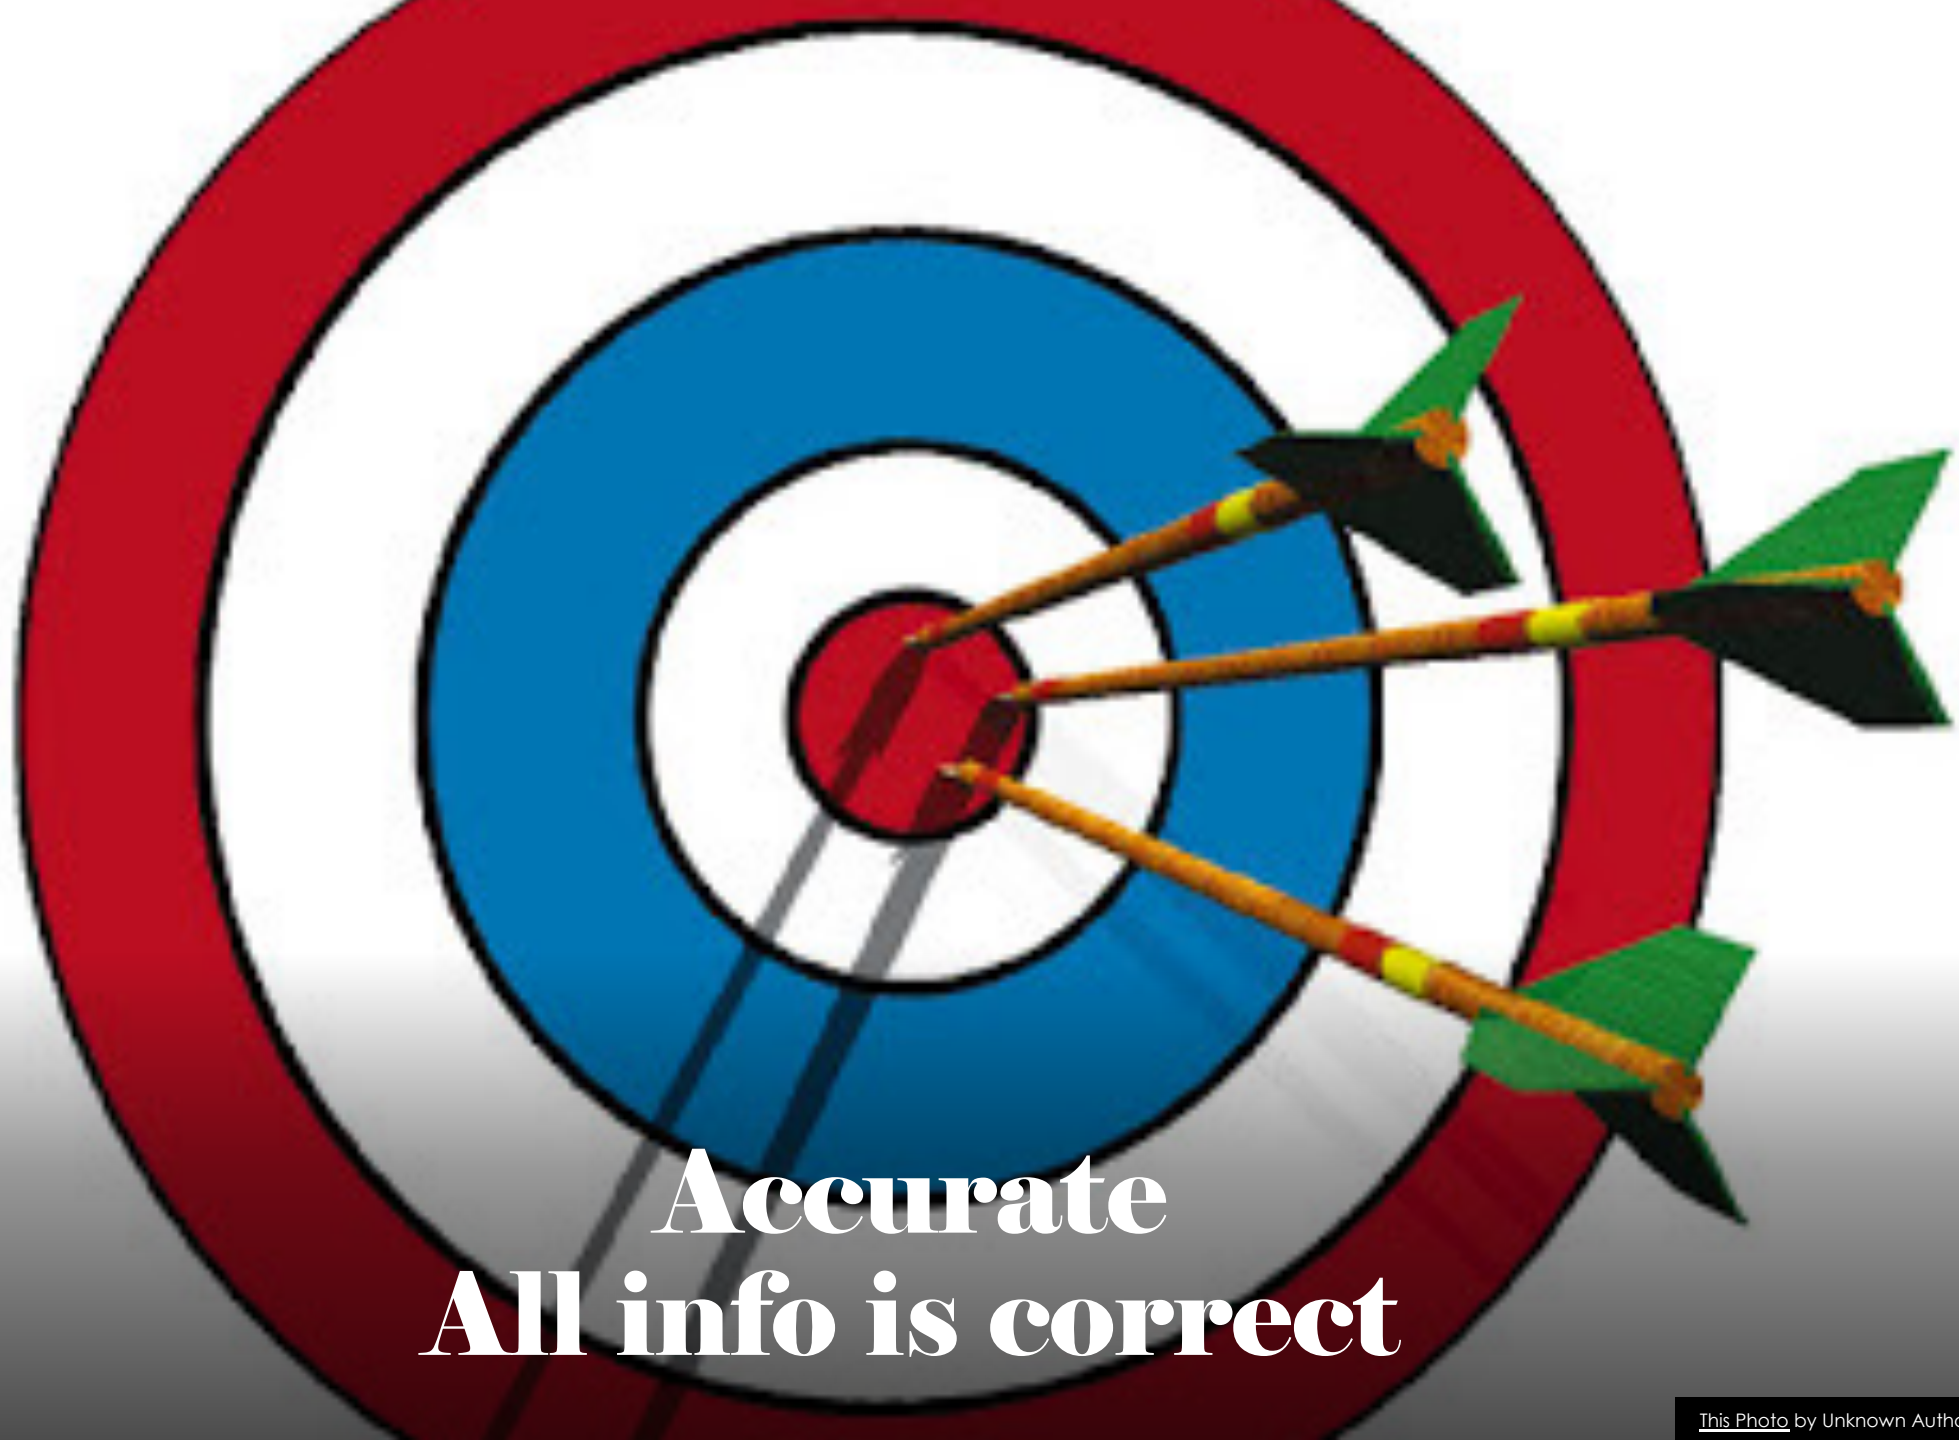

(Internet of Things)

The background of the slide features a vibrant blue surface adorned with several cross-sections of fresh orange slices. A large, expressive pink brushstroke sweeps across the right side of the image, creating a dynamic and modern aesthetic.

Good slides

- Accurate
- Brief
- Clear

Accurate
All info is correct

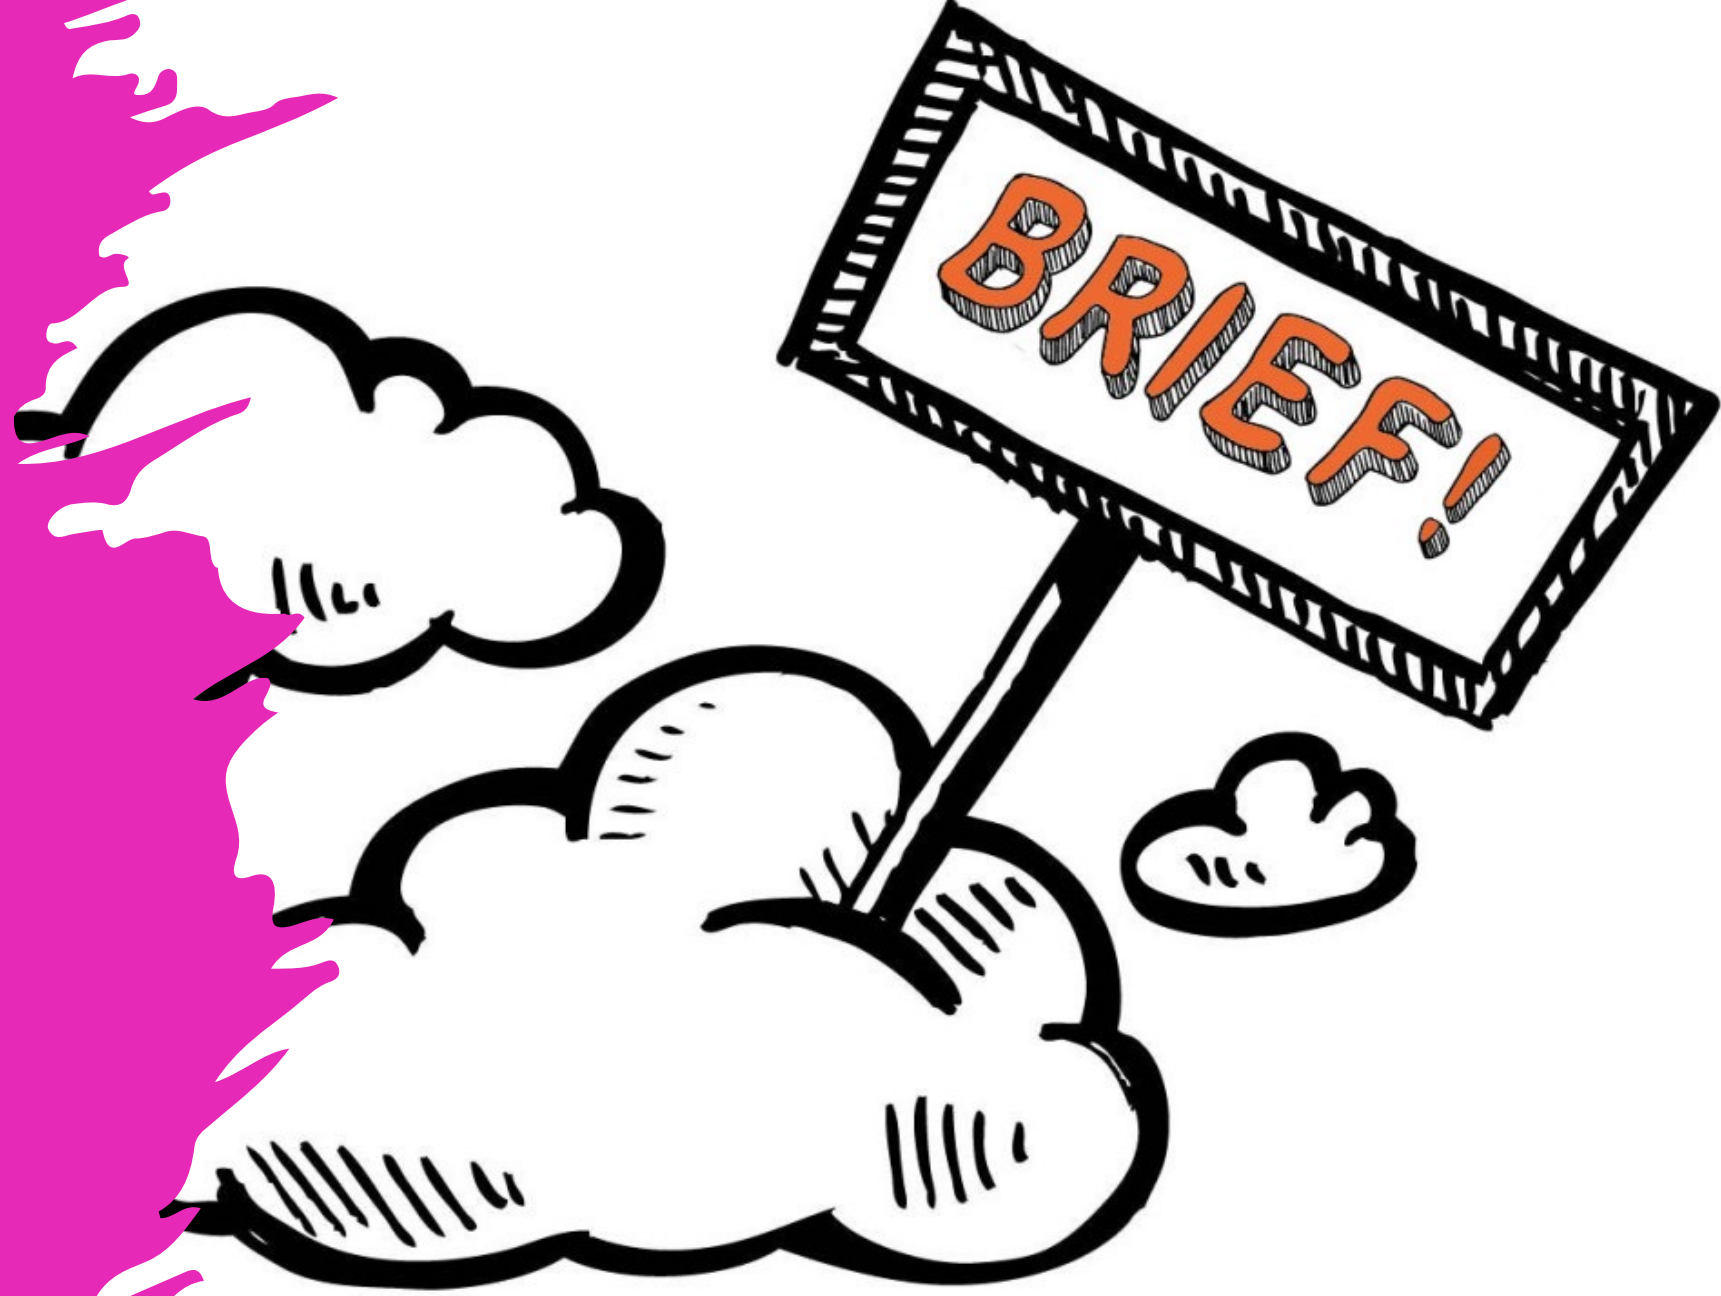

Accurate

- All info is correct.
- That means make sure dates, names of authors and books are right.
- Also, pay attention to the claims you are making. Ensure they are truthful and not overly exaggerated.

Brevity

**Think T
shirt**

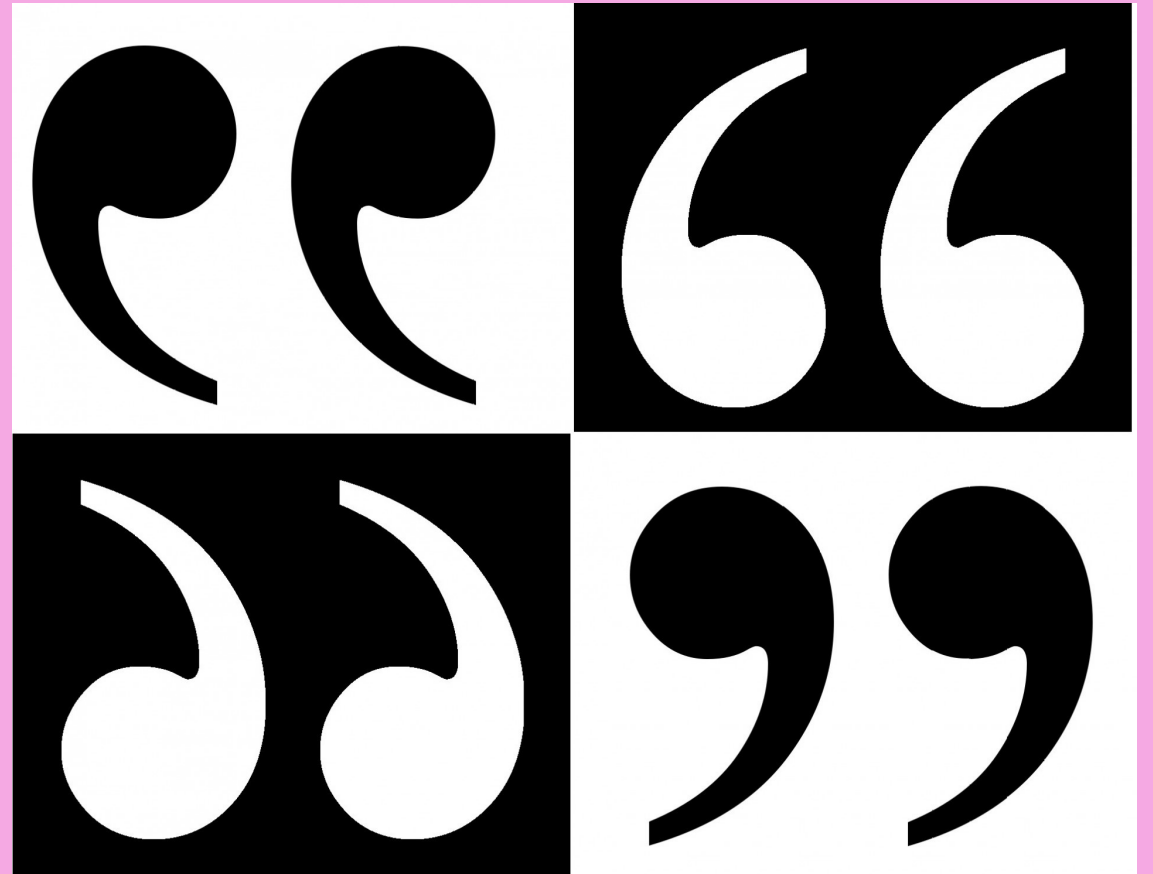

**NHS
NOT
TRIDENT**

Exceptions to the brevity rule

Quotations

- write out in full and read during presentation.

Clarity part 1 **(visibility)**

Clarity / Visibility

- THINK VISIBILITY
- Create contrast between text colour and the background.

The background of the entire slide is a teal color with a grid of white incandescent light bulbs. The bulbs are arranged in a pattern that recedes into the distance, creating a sense of depth. They are slightly out of focus, with some appearing sharper than others.
