

Module Title: Psychology in Health and Social Care

Module Number: BMHP4003_BIRM

Component 2 – Written Assignment (Case Study) 1500 words

Before reading this guidance, you should consult a copy of the full assignment brief for Component 2 which is available on Moodle in the 'Assignment' folder.

Title Page	All of your submissions must include a title page that clearly states your name, your student number, the module code and title, your lecturer's name, and your assignment title. The words in this section do not count towards your word limit.
Contents Page	List the different sections of your report with corresponding page numbers. The words in this section do not count towards your word limit.
Introduction (≈150 words)	This section should introduce your reader to the content of your report, briefly stating what will be discussed and the context. Here you may also highlight key theories, models and literature that you will be discussing within the report. Include a brief explanation of the service user's condition. Briefly include information relating to the impact of counselling for individuals and any UK statistical information relating to rates of suicide within this age group. <u>Please don't include the text of the case study as this will flag on the similarity for all submissions – you can assume that those reading the report know the case.</u>
Social identity theory (SIT) (≈400words)	Describe this theory, identify key theorists; cite literature to support your points. Explain how this theory could apply to the case study.
Attribution theory (≈400words)	Describe attribution theory and the fundamental attribution error, identify key theorists; cite literature to support your points. Explain how this theory could apply to the case study.
Frustration aggression hypothesis (FAH) (≈400words)	Describe this theory, identify key theorists; cite literature to support your points. Explain how this theory could apply to the case study.
Conclusion and recommendations (≈150words)	Summarise the important points that you have made, reiterate key theories and literature cited within your report. Include a recommendation on whether the

	complaint about the member of staff should be <u>upheld</u> or <u>dismissed</u> .
Reference Page	All information sources should be listed in Harvard Style with a full reference for each. <u>UWTSD Harvard referencing guide</u> References should be organised in alphabetical order. You should have used a minimum of eight credible and reliable sources of published information. The words in this section do not count towards your word limit.
Formatting guidance	Please use Arial Font, size 11. Apply 1.5 line spacing to entire document and please insert page numbers.
