TEITL Y PROSIECT: / PROJECT TITLE: *Young players getting released from professional football clubs before getting offered a full time contract.*

***THIS FORM IS TO BE AMENDED AND ADAPTED AS NECESSARY**

Dear Participant:

My name is Luke Jenkins and I am studying in the School of UWTSD Business School

I would like to invite you to participate in my research project. This project aims to critically analyse the wellbeing and opportunities that young players have upon release from professional clubs with emphasis on Swansea City.

*Attached to this letter is a short questionnaire developed by Luke Jenkins which will assess Young players getting released from professional football clubs before being offered a full time contract. I believe your opinions will be extremely helpful to me.

Through your participation in the questionnaire and/or interviews, I hope to ascertain how Young players deal with getting released from professional football clubs before being offered a full time contract .

All questionnaires will be kept strictly confidential to the researchers involved and at **NO** time will individual questionnaires be released to the general public. This gives you a chance to express your views on your programme a confidential and anonymous forum and still be able to make a difference. Your participation in this study is completely voluntary so you can withdraw from the questionnaire at any stage.

Our questionnaire should take about 10 minutes to complete, but there is no time constraint. There are also no right or wrong answers. Attached to this letter along with the questionnaire is an instruction sheet / a consent form / a feedback sheet). As this is a new project, your feedback is also important to us and we would be much obliged if you could also complete the feedback sheet along with the questionnaire. We understand that your time is at a premium but your opinions are very valuable to us.

After careful and precise analysis of the data obtained from this questionnaire, I will be happy to provide you with a copy of the findings at your request. The results of this questionnaire will hopefully enhance my understanding of young players getting released from professional football clubs before being offered a full time contract and will be stored on UWTSD systems. The results of the research will be fed back to UWTSD lecturers.

We thank you in advance for your time and participation. If any questions do arise, feel free to contact me at your convenience.
