

The PROPOSAL

Word count 2,500 words (allowance is made for 10% either side of the word count).

- Write a short context for your writing (overview of your intended practice and related theoretical underpinning) - 100 words approx.
- **YOUR 3 KEY WORDS**
- Explore each key word (6-700 words each approx.) with references to academic texts you hope to use in your extended essay.
 - Deconstruct and define the keyword.
 - Contextualise by showing your understanding and use of the keyword.
 - Reference theorists/philosophers to develop the understanding of the keyword and show its relationship to your ideas.
 - Reference imagery and illustrators/artists to show, and clarify, your ideas and demonstrate your understanding.
- Contextualise how these have led you to a question you wish to research and write about in your third year, and the proposed practice based project to which it relates (3-400 words approx.).
- The proposed question for the Independent Project extended essay - in consultation with your Contextual Practice seminar lecturer you will write a fully formed research question with sub-questions that might be useful in your chapters (25-50 words approx.).
- Proposed practice-based project (up to 100 words). Include relevant images and sketches that will further clarify and demonstrate your plans.
