My Short Reflection

- Write 5–8 simple sentences about your digital life.
- You can use the sentence starters below if helpful.

I use digital tools to make my daily searching and organising my needs like online banking, communicating with families. I feel confident when I have to use it like apply jobs and etc. I want to improve in my future business, I often use social media and I feel nervous to do research. I hope this module will help me to improve my digital skills and digital skills are important for me because I know it will be helpful in my business.
