

DIGITAL SAFETY

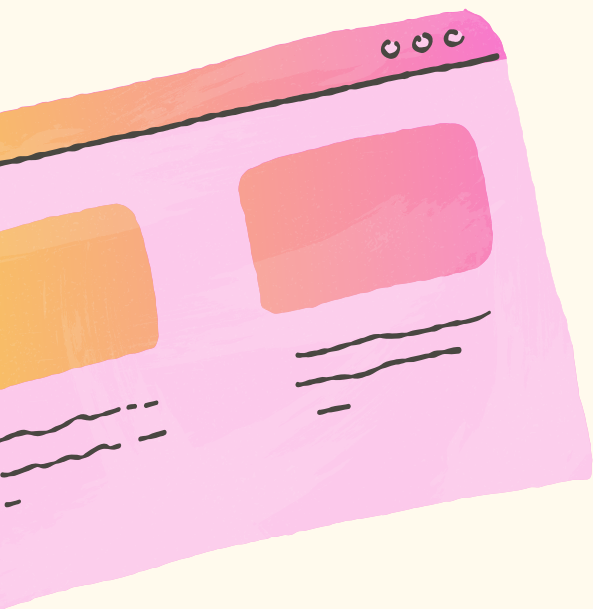

PROTECT YOUR INFORMATION

Keep your information safe, and don't share your passwords, emails, etc. with anyone else

THINK BEFORE YOU POST

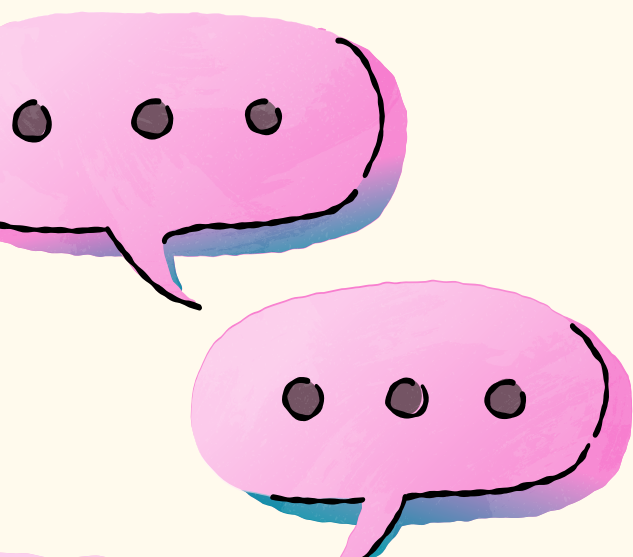

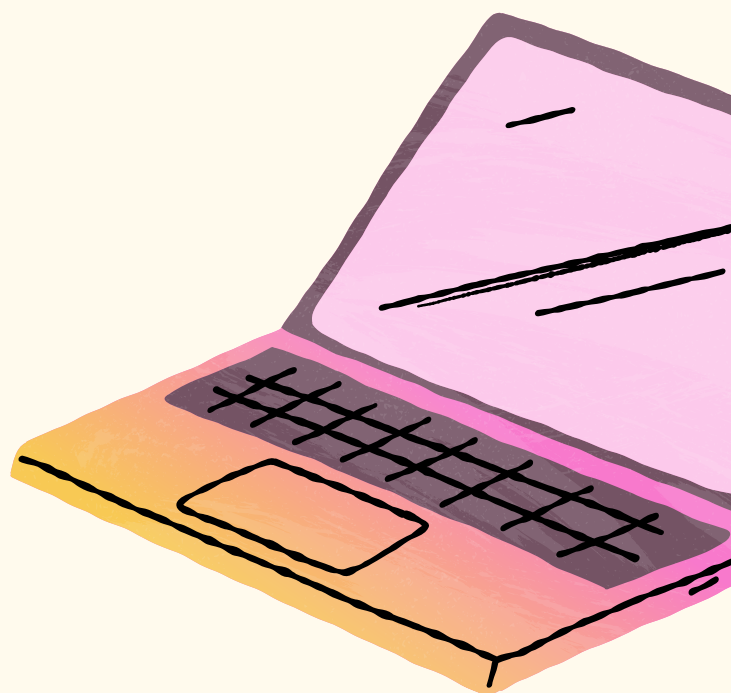

Keep in mind what can be seen in your pictures, it might be your house number, credit card etc.

BE A GOOD DIGITAL CITIZEN

USE STRONG PASSWORDS

Choose strong password and do not put personal information in the password

BE CAUTIOUS

Be careful with the emails you receive, most of the hackers send email, and hack in your computer
