Aims of the Presentation

Demonstrate my knowledge and understanding of the UNCRC, including the various policies and procedures implemented within my setting.

Explore several activities that promote Inclusive Education in the classroom.

Consider the different interpretations/definations of the key words for instance Anti-Discriminatory and Inclusive Practice

Anti-Discriminatory Practice Defined

"An approach to working with children that promotes diversity and values all who are different"

Dent (2020)

"Different identities, religion, abilities and social practices are valued and celebrated"

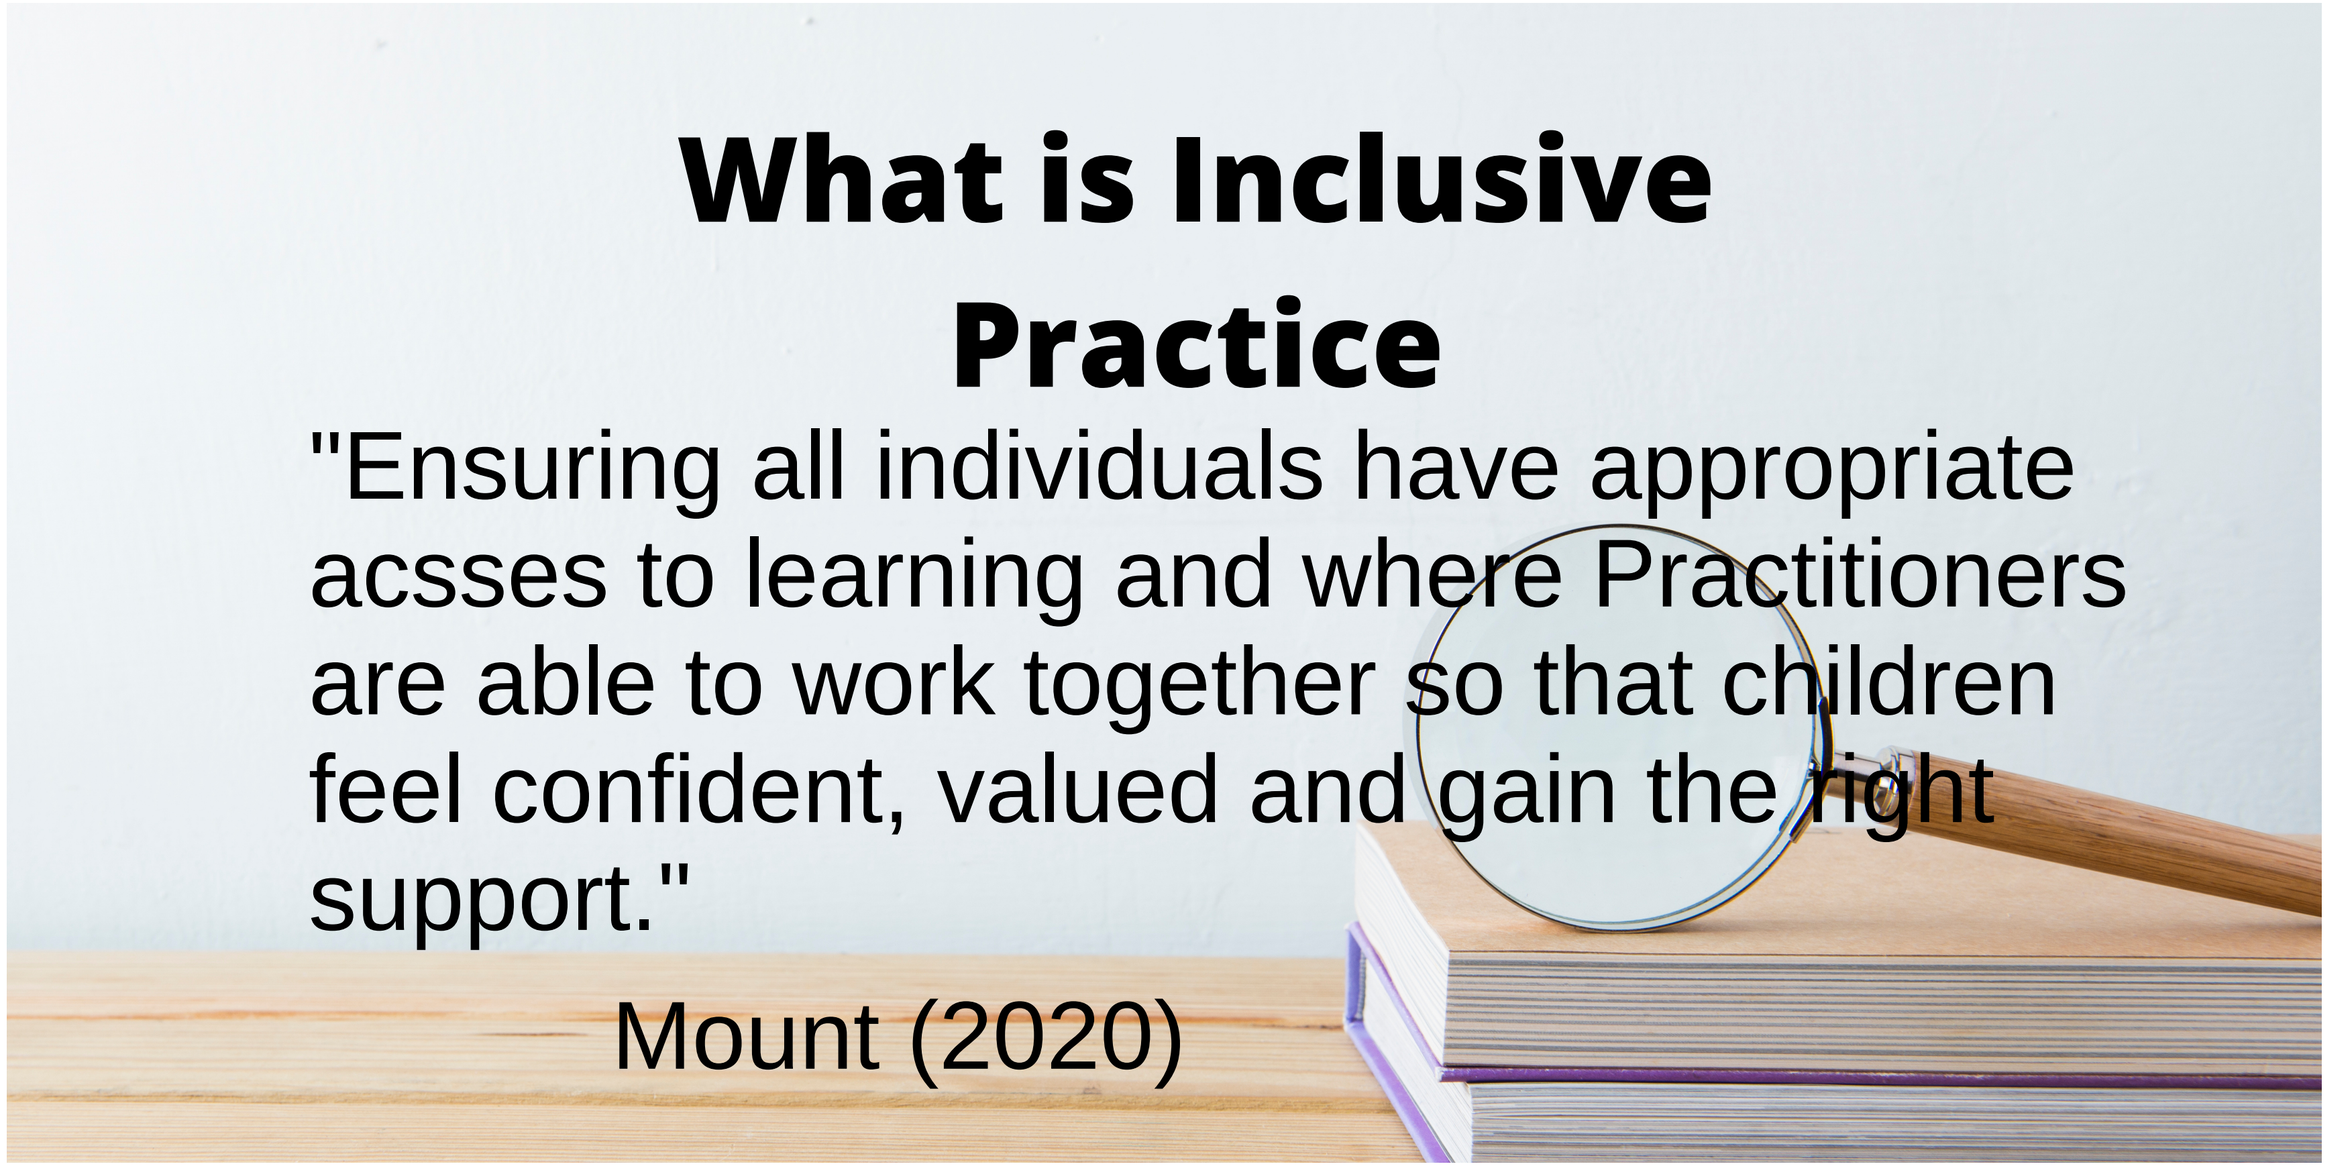

Ellis (2018)

What is Inclusive Practice

"Ensuring all individuals have appropriate acsses to learning and where Practitioners are able to work together so that children feel confident, valued and gain the right support."

Mount (2020)

Where the magic happens.

It all started with 2 weeks work experience placement when i was

Completed my Level 3 in 2007 at the same Location.

Enrolled on the Foundation Degree in Childhood Studies in 2018 and returned to the same primary school to complete 300 hours of work placement.

October 2021 funding became available to offer me 16 hrs a week paid

Policies & Procedures.

The Legal Stuff...

Awel-yr-Mor Primary School & the U.N.C.R.C

Policies in place to protect individual children at Awel-yr-Mor.

Other documents available
