# Search Moodle for the Library Infoskills modules and enrol.

The screenshot shows the Moodle interface for UWTSD. At the top, the navigation bar includes 'Home', 'Dashboard', 'My modules', 'Moodle Archives', and 'Useful Links'. The user's name 'MR' is visible in the top right corner. The main content area displays the search results for 'library infoskills'. The search bar at the top right of the main area contains the text 'library infoskills' and a search icon. Below the search bar, the text 'UWTSD Moodle' is displayed, followed by another search bar containing 'library infoskills' and a search icon. Below this, the text 'Search results: 1' is shown. A large blue banner with the text 'Library Infoskills' is displayed below the search results. The right sidebar contains several sections: 'Holiadur Adborth Modiwl / Module Feedback Questionnaire' with a clipboard icon, 'Module Search' with a search bar and a 'Go' button, 'Online Resource List' with the text 'No lists currently available for this module', and 'Microsoft' with the text 'Megan you are currently connected to Microsoft 365'.

# Finding and Using Information will enhance your research skills.

## Academic and InfoSkills

Our Skills programme is designed to create opportunities for students to develop their transferable academic and information skills, facilitating both their academic success and employability. The curriculum covers a wide range of topics – from finding library resources to fake news to managing your online presence.

Our team of Academic Liaison Librarians have developed a series of online Units that allow you to develop your skills anywhere, anytime, to suit you. Click the tiles below to get started:

# Link to the Library & Learning Resources page from Moodle.

The screenshot shows a Moodle course interface. At the top, the navigation bar includes 'Prifysgol Cymru Y Ddrudol Dewi Sant University of Wales Trinity Saint David', 'Dashboard', 'My modules', 'Moodle archives', and 'Useful links'. The 'Useful links' dropdown menu is open, showing options: 'Calendar', 'Email', 'Library & Learning Resources' (highlighted with a red box), 'MyTSD', 'Hwb', and 'I.T.Service Desk'. The course title is 'Health Care System Organisation and Leadership (LCHS7002\_LON)'. Below the title, it says 'Welcome to LCHS7002\_LON' and 'Health Care System Organisation and Leadership'. The lecturer is Christopher Mafuva. A list of resources is shown: Announcements, Programme Handbook and Module Directory 2024 - 2025, Online Reading List, Cite Them Right (Harvard Referencing Style Guide), Module descriptor, UWTSD student code of conduct, and Workshop Referencing DOCX. On the right, there are sections for 'Module Feedback Questionnaire', 'Module Search', 'Panopto' (Live sessions, Completed recordings), and 'Reading Lists'.

 **SEARCH**

# Selecting words to use in your search

Searching the library catalogue and databases differs to searching the web:

- There isn't predictive spelling. If you don't find anything, check your spelling.
- Don't use complete sentences. Carefully select a few **keywords** and **phrases**.

## Topic:

The approach to the COVID-19 pandemic differed between countries based on varied circumstances among the jurisdictions, including the organisation of the health care systems, the leadership styles of the people in charge, and the COVID-19 vaccination task forces that were set up.

## Possible Keywords:

Covid; COVID-19; pandemic; health care systems; health systems; leadership; leadership styles; vaccination task force

# More about Boolean logic

## Join or connect keywords with Boolean operators:

**and:** health care systems **AND** leadership styles

The library catalogue (and Google) default to connecting keywords with **and** because that is the most frequently used connector for keywords. Using **and** narrows down the search.

You can change the setting to:

**or:** building **OR** developing

Searching for either word using **OR** widens the search and finds more information.

**not:** pandemic not covid

Using **not** excludes aspects of a topic.

**Phrase searching:** The library catalogue phrase search filter is: **is exact** emotional intelligence. You can also put phrases in quotes: “**vaccine task force**” (This also works with Google searches).

This catalogue search will retrieve books, articles and films from all UWTSD journals and most databases. Scroll down to see results.

SEARCH

SIMPLE SEARCH

# Look at the results. Are they relevant?

## Save query (save search) or favourite individual articles.

The screenshot shows a library search results page. On the left is a sidebar with filters: 'Tweak my results', 'Expand My Results', 'Sort by Relevance', 'Availability' (Full Text Online, Open Access, Peer-reviewed Journals), 'Resource Type' (Articles, Review Articles, Books), 'Collection' (Academic Search Premier, Access via ScienceDirect, Access via Wiley Online Library, BACON - Hindawi Publishing Corporation, Cambridge University Press), and 'Subject' (Covid-19 Pandemic, Pandemics, Human Beings).

The main results area shows three articles. The first article is 'A Hospital Partnership with a Nursing Home Experiencing a COVID-19 Outbreak: Description of a Multiphase Emergency Response in Toronto, Canada'. The second is 'Development of a Novel Care Rehabilitation Pathway for Post-COVID Conditions (Long COVID) in a Provincial Health System in Alberta, Canada'. The third is 'Building better tuberculosis control systems in a post-COVID world: learning from Pakistan during the COVID-19 pandemic'.

Annotations include a red circle around the 'Save query' button in the top navigation bar and another red circle around the action icons (email, bookmark, etc.) for the first article.

Type in the name of the institution, as shown, and search.  
Tick, or select, the box below and save.

The screenshot shows the Google Scholar Settings page. On the left is a sidebar with navigation links: Search results, Languages, Library links (highlighted in red), Account, and Button. The main content area is titled 'Show library access links for (choose up to five libraries):'. It features a search bar containing 'uw trinity saint david' (circled in red) and a search button (circled in red). Below the search bar is a list of results, with the first item 'UW Trinity Saint David - View It @ UWTSD Library' checked (circled in red). A paragraph of text explains that online access is usually restricted to library patrons. At the bottom right, there are 'Save' and 'Cancel' buttons (the 'Save' button is circled in red). Below these buttons, a message states 'To retain settings, you must turn on cookies', with a red arrow pointing to the word 'cookies'.

## Academic and InfoSkills

Our Skills programme is designed to create opportunities for students to develop their transferable academic and information skills, facilitating both their academic success and employability. The curriculum covers a wide range of topics – from finding library resources to fake news to managing your online presence.

Our team of Academic Liaison Librarians have developed a series of online Units that allow you to develop your skills anywhere, anytime, to suit you. Click the tiles below to get started:

# UWTSD referencing handbooks

- Log in to the intranet to access the UWTSD referencing handbook in the Harvard style.
- This is a quick guide with examples of how to reference the most common sources and may be printed.

Create a citation using the library catalogue.  
Check the citation for accuracy.  
Copy and paste into your work.

The screenshot displays a library catalogue interface. On the left, a teal sidebar contains navigation icons (up, down, search) and search filters. The main content area is divided into two sections. The top section, titled 'ARTICLE', features a red-bordered box containing the article's cover image, title 'Exercise in adults with type 1 diabetes mellitus', authors 'Riddell, Michael C ; Peters, Anne L', publication details 'England: Nature Publishing Group; Nature reviews. Endocrinology, 2023-02, Vol.19 (2), p.98-111', a quote from the abstract, and buttons for 'PEER REVIEWED' and 'REVIEW ARTICLE'. Below this are links for 'Read Article' and 'View Issue Contents'. The bottom section, titled 'Send to', contains a row of icons for 'READING LIST', 'EXPORT RIS', 'REFWORKS', 'PRINT', 'CITATION' (circled in red), and 'PERMALINK'. Below the 'Send to' section, a list of citation styles is shown: 'APA (7th edition)', 'Harvard Cite Them Right' (underlined in red), and 'IEEE'. A red-bordered box highlights the citation text for the Harvard style: 'Riddell, M.C. and Peters, A.L. (2023) 'Exercise in adults with type 1 diabetes mellitus', *Nature reviews. Endocrinology*, 19(2), pp. 98-111. Available at: <https://doi.org/10.1038/s41574-022-00756-6>.

Riddell, M.C. and Peters, A.L. (2023) 'Exercise in adults with type 1 diabetes mellitus', *Nature reviews. Endocrinology*, 19(2), pp. 98-111. Available at: <https://doi.org/10.1038/s41574-022-00756-6>.

# Refworks:

Export citations to RefWorks from the library catalogue, databases, or Google Scholar. Store all research in RefWorks and create reference lists.

The screenshot displays a library article page for "Exercise in adults with type 1 diabetes mellitus" by Riddell, Michael C ; Peters, Anne L. The article is from Nature reviews. Endocrinology, 2023-02, Vol.19 (2), p.98-111. A quote from the article is provided: "... in individuals with type 1 diabetes mellitus (T1DM). A complex neuroendocrine response to an acute exercise session helps to maintain circulating levels of glucose in a fairly tight range in healthy individuals, while several abnormal physiological...". The article is marked as "PEER REVIEWED" and has a "REVIEW ARTICLE" button. Below the article information, there are links for "Read Article" and "View Issue Contents". At the bottom of the page, a "Send to" section offers various export options: "READING LIST", "EXPORT RIS", "REFWORKS" (highlighted with a red circle), "PRINT", "CITATION", "PERMALINK", and "E-MAIL".

Sign in to RefWorks if you already have an account.

The image shows the RefWorks login page. It has a white central panel on a blue background. At the top, it says 'Welcome back' in a large blue font, followed by 'Sign in to use RefWorks' in a smaller grey font. Below this are two input fields: 'Email' and 'Password'. A link 'Forgot your password?' is positioned below the password field. A prominent blue 'Sign In' button is centered below the fields and is circled in red. Below a horizontal line, there is a dark blue button with a globe icon, the text 'Use login from my institution', and a downward arrow. At the bottom, a light grey button with the text 'No account? - Sign Up here' is circled in red.
