PORTUGAL

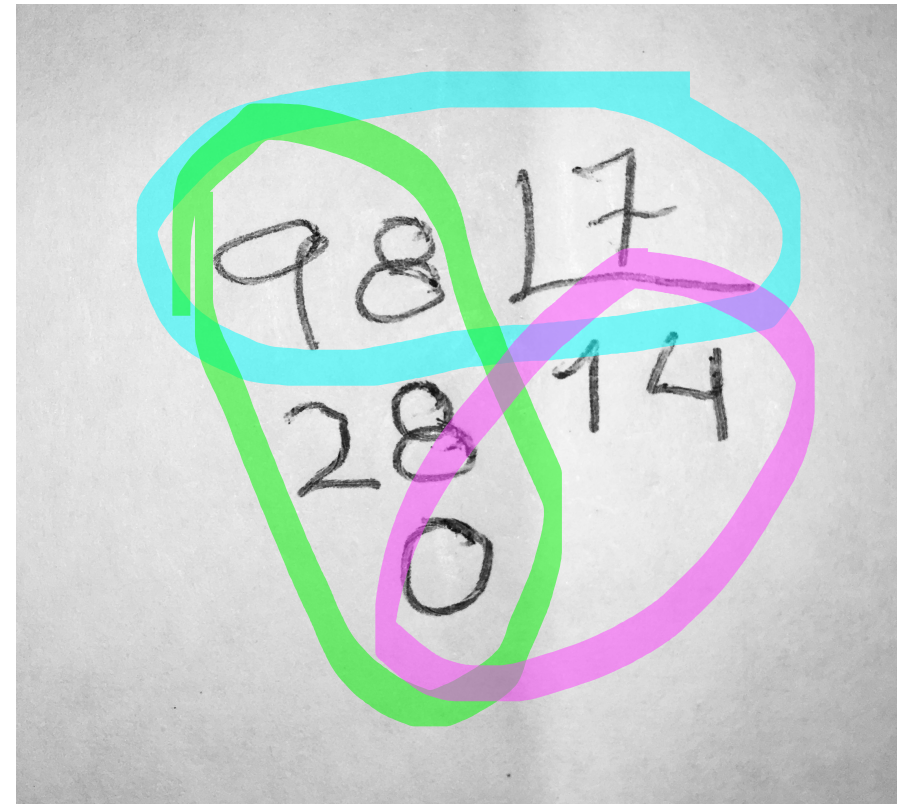

A photograph of a handwritten subtraction problem on a piece of paper. The problem is written in a style common in Portugal, where the minuend is written above the subtrahend, and the result is written below. The numbers are 9817 minus 2814, resulting in 0. The numbers are written in a cursive, handwritten style.

$$\begin{array}{r} 9817 \\ - 2814 \\ \hline 0 \end{array}$$
