If you have any challenges in this module/ in my approach, your 1st point of contact is ME!!! – Talk to me and resolve immediately!!! I am happy to help!!!

I target to reply back to my emails within 5 working days, however due to inevitable reasons it could be delayed.

If you have any common questions which could be useful for other students in this class, try to ask the question during the lecture session. If you need to ask in private, we shall discuss during tutorial session!!!

Student Engagement Policy

Refer to our University's updated Student Engagement Policy:

Key Point to note: Academic engagement is not limited to attendance at lectures, seminars, workshops, and field trips, submission of assessments or work, attendance at examinations/assessment events, meeting research milestones, meeting with supervisors, undertaking field research work, attendance at enrolment events, engagement with information and activities on the Virtual Learning Environment, or engagement with support services.
