2. Once click "I.T.Service Desk," it will bring you to this page. Then, roll down the webpage. [Reminder!] Some of you may confront a different webpage from the below one (like an orange webpage). You can directly enter "SPSS" in the searching bar, press "Enter" key, and select the result of "SPSS Statistics." Although there are slightly different steps, you can still follow the slides 6 (step 5) to 12 (step 11).

3. Click the correct "Software" tile under "Popular topics."

4. Click the tile named "SPSS Statistics."

8. Later, you will receive several emails. Find out the one named "SPSS Software Instructions"

Hi Shengfeng Mei,

As you have chosen to agree to the copyright agreement and terms, we are delighted to provide you with access to the requested software.

Please click on the following link which will give you access to the software installer(s), licence key, installation instructions and a copy of the copyright agreement:

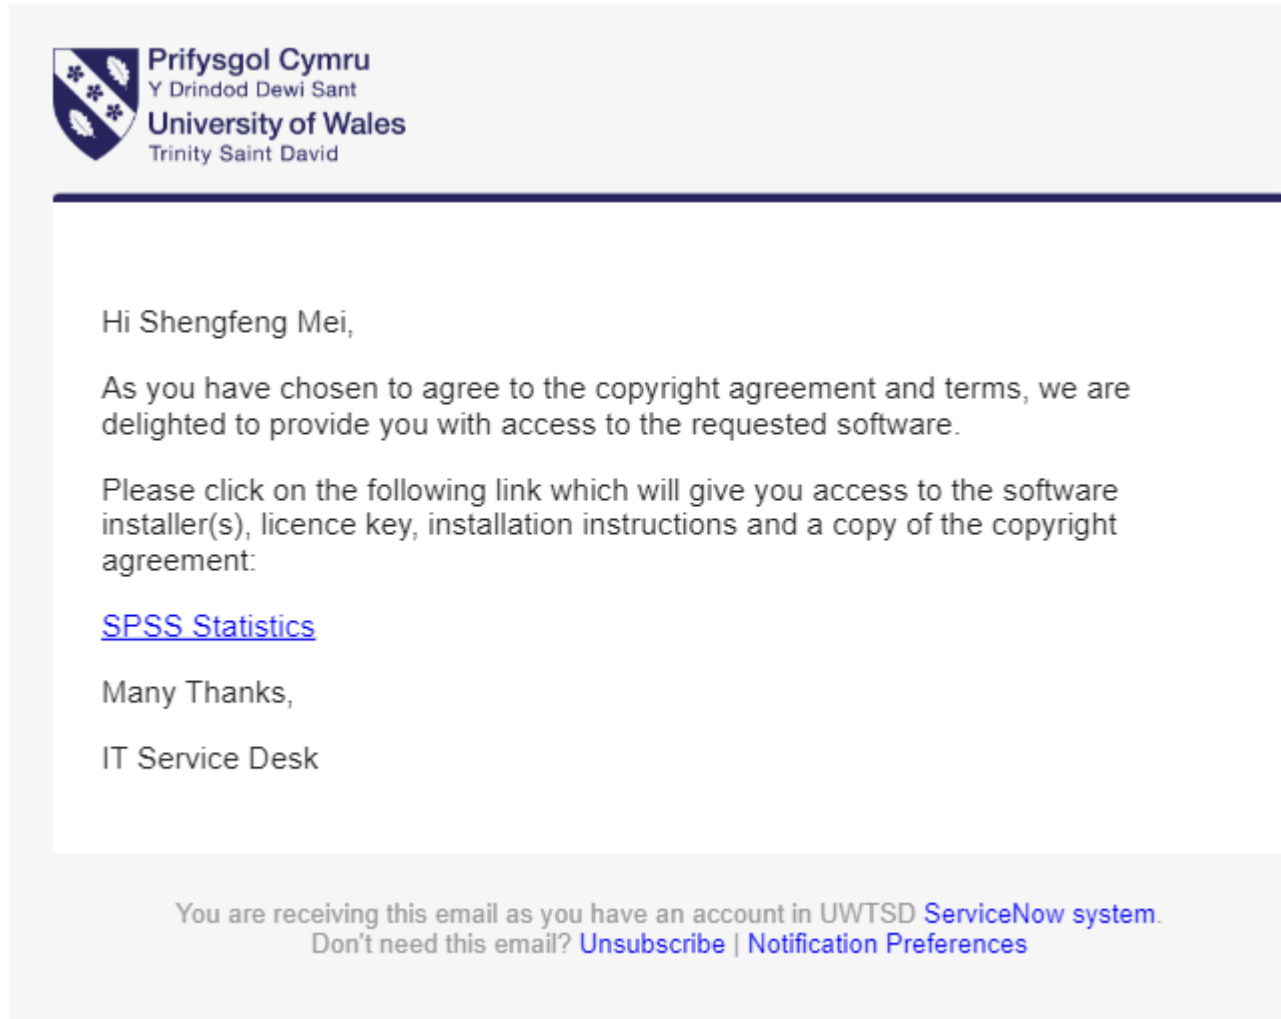

[SPSS Statistics](#)

Many Thanks,

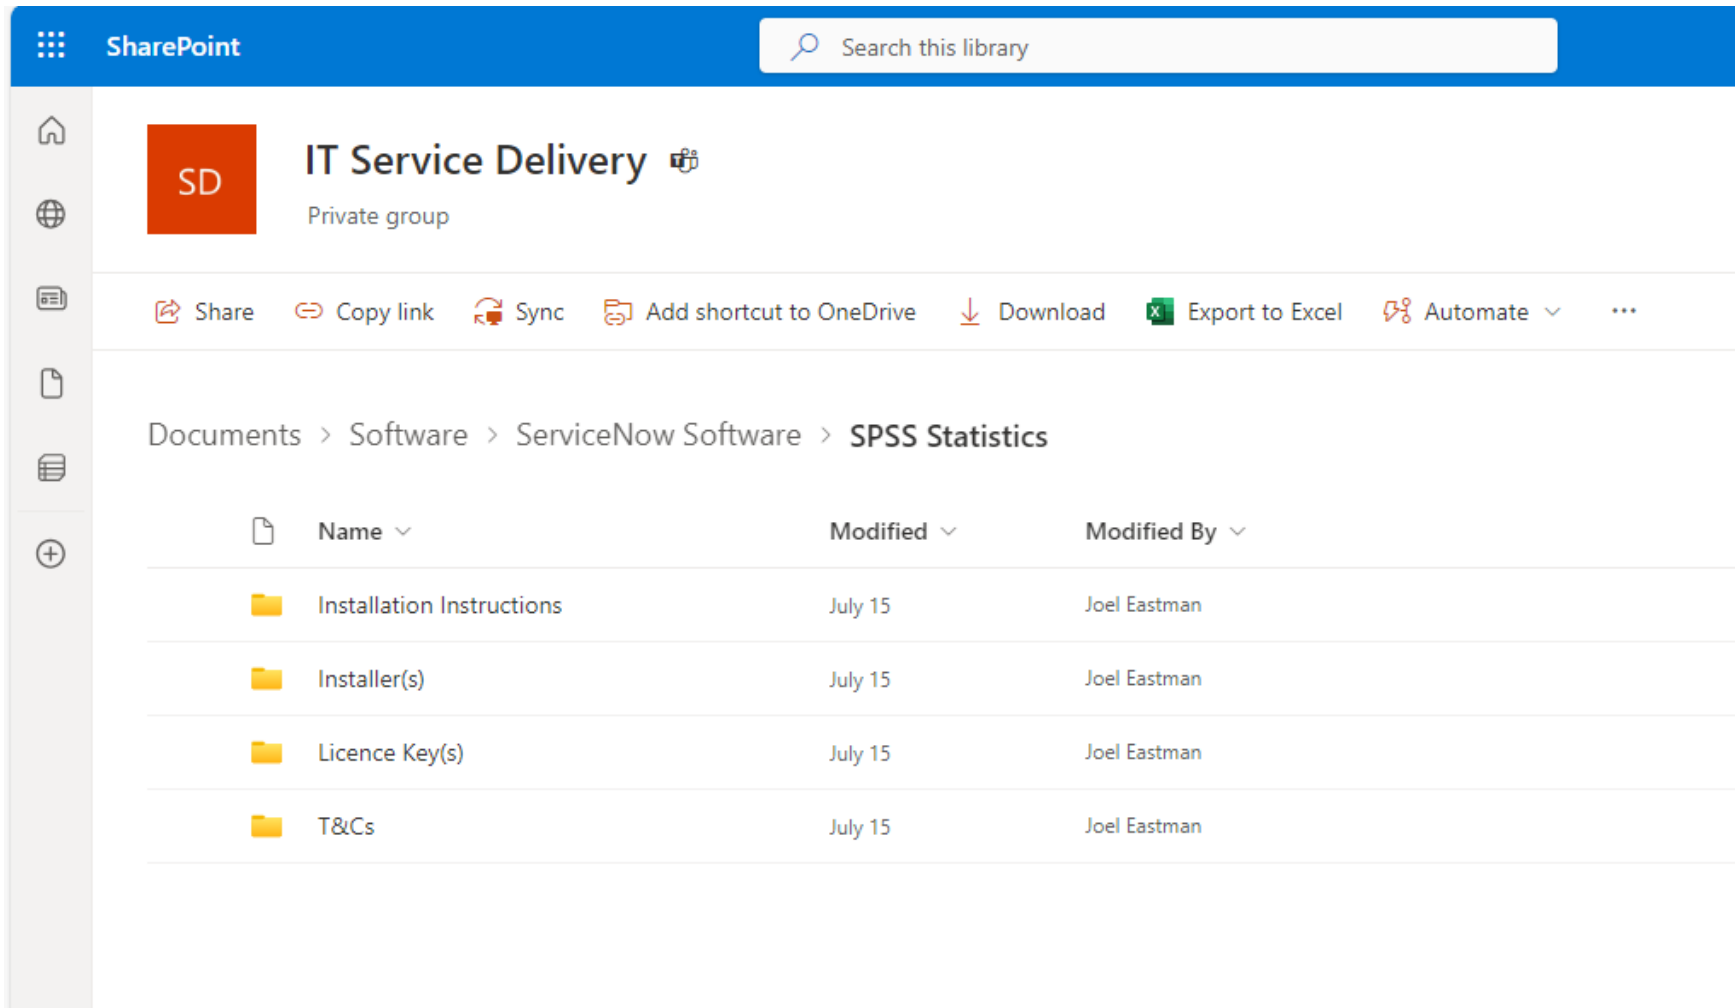

IT Service Desk

9. Click the link "SPSS Statistics." It will bring you to a SharePoint by IT Service Delivery.

10. Open the folder "Installation Instructions."

The screenshot shows a SharePoint interface. At the top is a blue header with the 'SharePoint' logo and a search bar labeled 'Search this library'. On the left is a vertical navigation pane with icons for Home, Global, Lists, Files, and a plus sign. The main content area displays the 'IT Service Delivery' group, identified as a 'Private group' with an orange 'SD' icon. Below this is a toolbar with options: Share, Copy link, Sync, Add shortcut to OneDrive, Download, Export to Excel, and Automate. The breadcrumb path is 'Documents > Software > ServiceNow Software > SPSS Statistics'. A table lists four folders: 'Installation Instructions', 'Installer(s)', 'Licence Key(s)', and 'T&Cs', all modified on July 15 by Joel Eastman.

Name	Modified	Modified By
Installation Instructions	July 15	Joel Eastman
Installer(s)	July 15	Joel Eastman
Licence Key(s)	July 15	Joel Eastman
T&Cs	July 15	Joel Eastman

11. Read the file "SPSS Statistics Installation Guide." Be careful. Windows and Mac OS have different installers.
