

Get around in **ENGLISH** Lesson Sixteen
How to Complain

This meal is as tough as old boots. How's your fish?

It tastes off. And these vegetables are cold.

This wine is awful — I asked for dry and they've given us sweet!

And look, there's a worm in my side-salad...

How is your meal? Is everything all right?

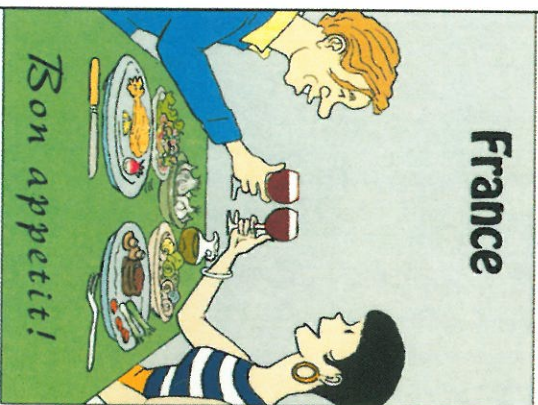

Oh, yes. It's all lovely!

Excellent, thank you!
