Supporting Materials	/10	/10	10 /10	/10
TOTAL	/100	/100	96 /100	/100

Comments:

Very good presentation. clearly explained background, aim & objectives, methodology, very good discussion on key findings and experiments.

Just add few screenshots, and do more critical evaluation. The demo was good but without demo the presentation seem, practical analysis and evaluation.

Over all Excellent presentation and confident on answering
