

Yr 2 Information for Other People's Shoes and Visual Enquiry 2

Tuesday April 2nd

Morning

Two Groups

Practice run for final presentation after Easter.

You have a minimum of 3 minutes and a maximum of 5 minutes to present your project.

We will not use a Powerpoint presentation today. The groups are small enough to present with the assistance of printouts, but if you prefer to show work on your own laptop, you can.

Present your project as if it were to a stranger who knows nothing about you, your subject, or the work you are showing.

Introduce yourself as a spokesperson for your subject. Explain what you are trying to achieve and why. Then move on to discuss your design solution or response to your subject. Show the audience the work you have generated so far, but also explain what you intend to submit in total at the final hand in.

Afternoon (about 2.30pm)

We will have a Visual Enquiry 2 session this afternoon **instead of Friday 5th**. Everyone can come in one group.

Tuesday April 30th

Morning

Final presentation. You will need to bring your Powerpoint presentation of between 3 and 5 minutes on a memory stick. This time, the presentation will be to the whole group. If you are ready, you can also submit your work today. Otherwise the official deadline is next Tuesday May 7th at 10am. Work submitted after 10am will be late and capped at 40%.

Note that Monday May 6th is a Bank Holiday and the university will be closed.

Friday May 3rd

Morning

Visual Enquiry 2. Two groups at usual times.

Afternoon

From 2pm, I will be available to give you suggestions for improvements to your Book of 20. This leaves you a week to make any changes we think worthwhile for the overall summative deadline which is at 10am for both groups the following Friday, **May 10th**.
