

Hi BSc Health and Social Care – BMHP5003-,

In preparation for next weeks assessed Poster presentations on Thursday (12th Nov), I just need to confirm the following with you:

- **All posters are due to be submitted to Turnitin on Friday 6th Nov at 3pm. Everybody must submit a copy of their Posters to their individual submission points.**
- Please do not forget to take a look at the presentation feedback sheet within the Component 1 Assignment brief on moodle, which you will be marked on during the presentation – this may provide you with some additional ideas as you approach this task.
- **Please ensure that you join the virtual classroom at your allocated time promptly.**
- **Everybody will be expected to be available at least 10 minutes before their allocated time.**
- **Please make sure your camera and mic are working ok and you will need your camera to be on during your Poster presentation.**
- Remember to dress professionally as you can and think about the backdrop of where you intend to present.
- Remember you will need to individually present for a minimum of 3:30 minutes to a maximum of 5:30 minutes.
- **I will keep the time, provide prompts and share your Poster as needed.**
- Please remember to keep your screens and mic's on mute when not doing your presentation, you can take your mic's off mute when asking questions at the end of each presentation and place them back on when done.
- **Please see the Week 2 and the Assessment Brief section on the Moodle Page - for further guidance on your Poster presentation.**

I look forward to seeing you all next Thursday and I wish you good luck in advance.

With Kind Regards,

Mumtaz Goolam
