Job description

International Sponsorship - this role is not open to international sponsorship.

Health Protection Practitioner, Grade 8 x 4 positions

An exciting opportunity has arisen for four Health Protection Practitioners to join the Public Health Team. We are looking for experienced individuals with transferable skills who are passionate about protecting the health of the local population of Lancashire.

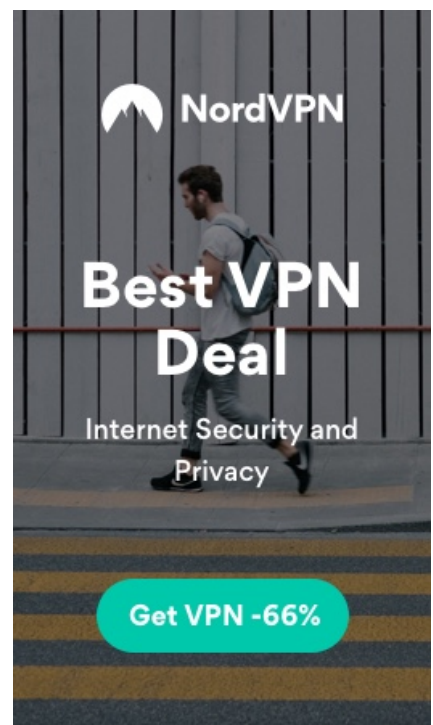

Reporting to one of two Senior Health Protection Practitioners, posts will support a wide and varied portfolio, with a primary focus upon improving health protection awareness and behaviours.

The post holders will contribute to service delivery objectives by:

- working to improve the uptake of programmes across the screening and immunisation agenda,

- addressing health inequalities,
- supporting high-risk groups,
- promoting the equity and access of services and
- delivering robust health protection campaigns.

The role will focus upon various themes, including: cancer/non-cancer screening programmes, lifecourse immunisation programmes, flu vaccination workforce delivery, population advice and protection, plus environmental and weather-related risk. CPD/training will be provided, together with the opportunity to work collaboratively with external organisations to improve this agenda.
