Brief background of our company

- ▶ Specialist business consultants is a start up consulting firm focusing on providing the complete needs of a business in the full range of the business cycle. With a core staff of experience professionals and a team approach to most consulting projects, SBC will be able to offer a more balanced quality service than many of its competitors.

Project overview

- ▶ Our main objective in this project is to organise the warehouse for Vintners antiques and give them a platform where it can be a successful business like the Salvage Hunters. The warehouse is basically a shell [just four walls].
- ▶ Our professional project management team will oversee all the work from electrical/plumbing, security, fixtures and fitting, designing their website etc.
- ▶ We will work out the steering group
- ▶ We will be describing our roles in this project
- ▶ We will estimate our time and cost for the project to Vintners. Will demonstrate this by using the, user stories, Microsoft planner and Gantt Chart
- ▶ We will present our presentation to the Vintners in a 10 minute skype call
