My Chosen Career as a Detective

- This presentation will provide an overview and analyse the skills I already have and the skills I need to develop in relation to the role of detective.

Essential Skills

Problem solving.

Critical thinking.

Written communication.

Oral communication.

Ethical behavior.

Attention to detail.

Keen understanding of
human behavior and
psychology.

(Malone,M (2021)

What are my current skills that are relevant to the role of Detective?

- I have an excellent memory
- Asking the right questions
- Im a good listener
- Logial
- Im very inquisitive
- I can read body language

Skills I've learnt at University

Academic Writing – helps me organise and structure my thoughts

Reflective Thinking – Helps me to reflect on my experiences

Time Management – Being able to organise my time properly

Power Point and Word skills – Being able to write reports

Public Speaking – being able to present in a professional credible way.

Responsibilities and Duties

- Make decisions based on balancing risks, costs, benefits and the wider impact
- Handle and document exhibits
- Deal with forensic material and its submissions
- Conduct interviews and interrogations
- Participate in and conduct raids, searches or arrests
- Identify appropriate witnesses and obtain statements

(Prospects (2021), “Job Profile Detective”)

Where's the skills gap?

- Based on skills required and the role and responsibilities of a Detective Ive identified my skills gap as
- Excel and Word
- English improvement

After completing University, I would have mastered these skills and be in the best possible position to make a great detective
