

Session 1

WELCOME and Introduction to the module

HPHE7008 Preparing the Project

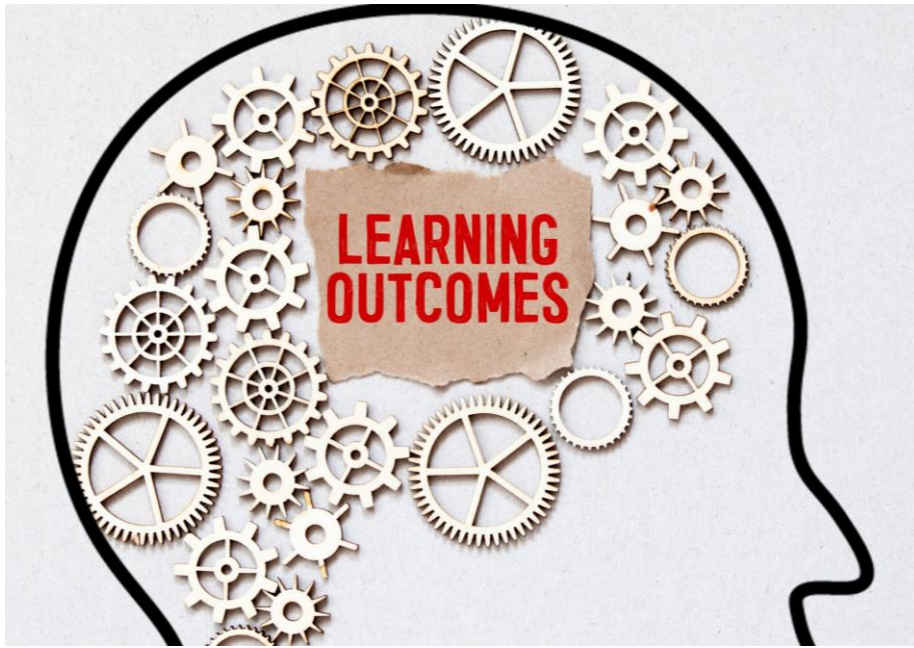

Dr Katharina Zinn

Associate Professor in Egyptian Archaeology and Heritage
University of Wales Trinity Saint David, UK

Module aim

- ❑ To prepare the student for their research dissertation of the Professional Doctorate in Heritage by exploring the instigation and design of their research project.

Upon the successful completion of this module, the student should be able to:

-
- ❑ Critically understand the key stages in the development of research proposal including the identification of research areas, methodologies and ethical implications;
 - ❑ Critically apply methods, skills and tools used in heritage research to their intended research project by reviewing and analysing multiple data sources.

Let's understand or achieve the following of **YOUR** research preparation

- ❑ Research within the Professional Doctorate
- ❑ Finding a research question within heritage and heritage practice
- ❑ Research design in the heritage sector
- ❑ Present on and discuss your first ideas regarding aims, objectives and methodology
- ❑ Your research timeframe / gantt chart
- ❑ Build up a research proposal
- ❑ Discussion of case studies

However – as it is a module...

- ❑ **YOUR ASSESSMENTS**
- ❑ Ass. 1: 15 min presentation about your intended project
 - 30% of module mark
 - Presented in week 4
 - Submission of PPTX at the end of week 3 (25/06 @23:59)
- ❑ Ass. 2: Research proposal (worth 2500 words)
 - 70% of module mark
 - To be submitted via Turnitin latest by 19/07 @23:59

week	Title	Tasks in preparation of following week
1 <u>Wk com.</u> 05/06	Welcome and Introduction to Module	Submit intended working title / topic to Forum
2 <u>Wk com.</u> 12/06	Research away?! OR What is a research proposal	Formulate Aim(s) and Objectives
3 <u>Wk com.</u> 19/06	Working towards the PG1 (Full Research Proposal) and PG2 (Ethics Proposal)	Submit Assessment 1 – PPTX of presentation by 25/06 @23:59
4 <u>Wk com.</u> 26/06	Presentations This week will be the only class meeting – conducted via TEAMS, attendance vital	Write a feedback to one other presentation – formative assessment (not marked), to be submitted via Forum
5 <u>Wk com.</u> 03/07	1-2-1 supervisions	Submit first draft of your PG1 latest by 11/07 to Forum on session 6 tab
6 <u>Wk com.</u> 10/07	1-2-1 supervisions to submit draft	Class discussion of first draft PG1 – write feedback / review the draft of one other student
7 <u>Wk com.</u> 17/07	Rework PG1	Submit PG1 (Ass.2) by Wed 19/07 @23:59
