Something about me

- My name is Mario I am a 22 year old male, that currently works at UCLH for G4S as a ambulance driver. My day to day task are to help patients to come to the hospital and go home within the time frame that is given to me. My future plans are to be a barber and open up a barber shop, this is the reason I picked this university and this course is so that it can help me on my career paths and my knowledge. I picked this university is so that I can get a better view on how to run and deals with day to day task as a business owner.
