Evidencing your Placement Tystiolaeth o'ch Lleoliad

You can address this in a format of your choice however, we would welcome creative responses. For example, video reels for sharing on social media.

Alternatively, you can put together a short presentation using PPT, Canva etc.

See Step 3 on Moodle for examples

Here are some questions which may be useful to consider when reflecting on your chosen experience;

1. What approaches to education and learning did you observe, and how do they differ from mainstream settings?
2. How did the organization adapt its teaching to meet the needs of its specific learners?
3. What aspects of this environment could inspire or enhance your practice as a teacher?
4. What challenges or opportunities for learning did you identify in this alternative setting?
5. How were you able to get involved during the placement?

If you do use social media and would like to share, please use #teachdysguuwtsd and tag @teachdysguuwtsd. We have always enjoyed sharing these with other students and it is a lovely way to celebrate this rich experience.

Gallwch fynd i'r afael â hyn mewn unrhyw fformat o'ch dewis, fodd bynnag, byddem yn croesawu ymatebion creadigol. Er enghraifft, fideos byr ar gyfer rhannu ar gyfryngau cymdeithasol. Fel arall, gallwch roi at ei gilydd gyflwyniad byr gan ddefnyddio PPT, Canva ac ati. Gweler Cam 3 ar Moodle am enghreifftiau

Dyma rai cwestiynau a allai fod yn ddefnyddiol i'w hystyried wrth fyfyrio ar eich profiad dewisol:

1. Pa ddulliau addysgu a dysgu wnaethoch chi sylwi arnynt, a sut maen nhw'n wahanol i leoliadau prif lif?
2. Sut wnaeth yr sefydliad addasu ei ddysgu i gwrdd ag anghenion ei ddysgwyr penodol?
3. Pa agweddau o'r amgylchedd hwn allai eich ysbrydoli neu wella eich arfer fel athro/athrawes?
4. Pa heriau neu gyfleoedd ar gyfer dysgu wnaethoch chi eu nodi yn y lleoliad amgen hwn?
5. Sut wnaethoch chi allu cymryd rhan yn ystod y lleoliad?

Os ydych chi'n defnyddio cyfryngau cymdeithasol ac yn dymuno rhannu, defnyddiwch #teachdysguuwtsd a thagio @teachdysguuwtsd. Rydym wastad wedi mwynhau rhannu'r rhain gyda myfyrwyr eraill ac mae'n ffordd hyfryd o ddathlu'r profiad cyfoethog hwn.
