

Practical Activity

In groups → what do you think an employer might be looking for in a graduate?

→ what is going to make you stand out?

→ what are the important aspects in these job adverts - what does your CV & covering letter need to tell them.

Individually -

Qualifications

Employment

Personal Skills

Other

Having information like this can help make sure everything that should be included is.

Think - do potential employers need to know you can swim a length of a swimming pool?
- but wouldn't it be good if they knew your level of knowledge of Solidworks.

Other important points - Social Media - what does it say?
Google - images can be removed
