- Review Assessment
Proforma & AI use Guidance

- Located in Assessment 1:
tile on module Moodle page

Assessment 1 Video Timeline Guidance

Can use any method to record – e.g.,

PowerPoint slides with video
Phone recording

But must be able to clearly see your face and hear your voice

Can book Psych lab to do recording:

Email:
psychlabs@uwtsd.ac.uk

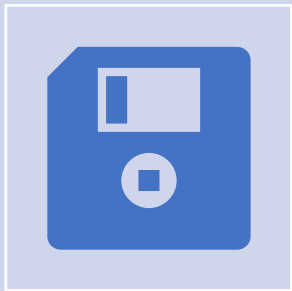

Do not conduct recording in public place

Submission Details - Recording

Must share the recording with module lead (Dr Kate Williams)

To do this, save the recording to your University OneDrive account and share it

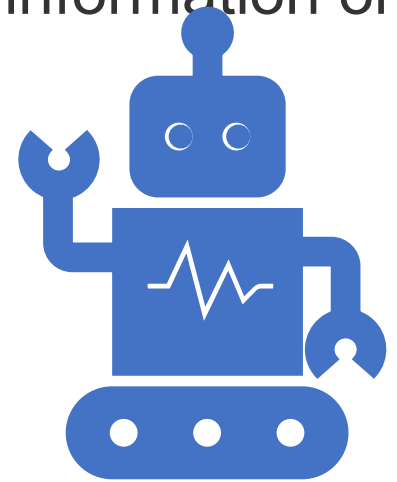

Ensure permissions are set to allow

Submission Details – Timeline (& Script)

- **The written timeline (& script, if used) must be submitted to TurnItIn portal on module Moodle page as one single document.**

Submission Details – Use of AI

- **All** students must submit an AI acknowledgement statement either to:
 1. Confirm you have not used any AI tools in the creation of your work (if you have chosen not to make use of any AI tools).
 2. Confirm you have made use of AI, with specific information on the following:
 1. Name and link to AI tool used
 2. Date(s) it was used
 3. Purpose of its use in relation to your work
 4. Input prompts you provided
- Must keep drafts of work, including notes, etc., before and after use of any AI tool.
- Regardless of whether you use AI or not, you may be expected to produce drafts, notes, and any materials used to construct assessment, as necessary.

Submission Details

– Reference List

- Must submit a reference list in **APA** format
 - To document sources used to inform timeline content
 - If any slides/written info contains citation(s), these would need to be referenced
 - Reference List must be submitted to the TurnItIn portal on the module Moodle page

Submission Details

- All documents requiring submission to TurnItIn portal on module Moodle page must be submitted **as single document**.
 - PowerPoint,
 - Script,
 - AI Acknowledgement,
 - Reference list
- This can either be within a PowerPoint or as a Microsoft Word document.
- Once everything is together on one document, it is advised to save and submit it as a PDF.

The background features a dense field of 3D dollar signs (\$) in various shades of blue and purple. Scattered throughout are small white mathematical symbols: a plus sign (+), a dot (•), and a circle (o).
