

CA CONFERENCE BURSARY SCHEMES 2012

Outcome

The outcome of this year's schemes is set out below. 30 UK and Irish departments (27 in 2011) submitted nominations for a total of 113 (79.5 FTE) bursaries (in 2011, 108 = 67.5 FTE). Only those nominations submitted for which no financial case could be made have been disallowed, and departments have generally been given what they asked for.

Procedure

Contacts should pass on the following instructions for completing the online registration form (hard copy forms will not be accepted), and stress that the booking must be completed by **29 February** at the very latest. NB all bursars need to book on their own behalf; the CA will not undertake any part of their booking. The form can be found at <http://www.classicalassociation.org/Events/Diary.html>.

Bursars should indicate their intention to attend the receptions (free of charge), and are welcome to book an excursion at their own expense. At the checkout stage, just before payment, there is the facility to subtract the amount of the bursary. Bursars should enter the relevant code in the 'promotional code' box at the checkout (see below). Please note that these codes are case sensitive.

FULL BURSARS should select the reduced rate conference fee (£80), whole-conference standard accommodation (£246; includes most subsistence), and the Association Dinner (£45). The full bursary of £371 will cover all three of these elements. Bursars should enter the code **CA2012FULL**.

HALF BURSARS should select the reduced rate conference fee (£80) and whole-conference standard accommodation (£246; includes most subsistence). They are strongly encouraged also to book for the Association Dinner (£45). The half- bursary of £185.50 will cover exactly half of the total for these elements. Bursars should enter the code **CA2012HALF**.

Payment from the bursary fund is made direct from the CA to the Exeter Treasurer, so no money will be sent to departments or the students direct. Please note that bursars themselves must pay for all extras (such as excursions); equally, where any bursar chooses a package which comes to less than the amount of their award, the CA will reimburse Exeter for only that amount; the balance will not be paid in cash. Any bursars wishing to book a different combination of accommodation and conference fees from those outlined above should contact the CA Secretary first (office@classicalassociation.org).

It is crucial that any cancellations are notified as soon as possible, to: e.j.stafford@leeds.ac.uk; office@classicalassociation.org; and cah-ca2012@ex.ac.uk (i.e. please copy to ALL THREE addresses).

Please check by 29 February that all your students have sent in their forms, and let us know immediately (details above) if any are obliged to withdraw.

Emma Stafford
Honorary Secretary

7 February 2012

UK AND IRELAND STUDENT BURSARIES

NB students are listed here in alphabetical order, *not* in the ranked order supplied by departments.

Institution + contact	Half bursaries	Full bursaries
University of St Andrews Prof. F. S. Halliwell fsh@st-and.ac.uk	Ana Kotarcic Hannah Mitchell Douglas Underwood Paula Whiscombe
