

Career Guidance for UWTSD Creative Students and Graduates

Are you planning a career where you can utilise your creative skills?

Would you benefit from career guidance, information and support, such as in sourcing work experience, job seeking, assistance with applications, practice interviews, exploring your options and developing confidence to network in the creative industries?

Careers Adviser Esyllt George from our Careers Department specialises in supporting creative students and graduates in their career planning, including

- Exploring career options, including freelance work and postgraduate study
- Identifying priorities and future planning
- Making successful applications and interview preparation
- Confidence in developing contacts and creative networks
- Identifying and developing your skills
