

Food and Beverage Operations (BMIH4002)
Student Placement Plan for Food & Beverage

This Student Placement Plan is devised to provide Operational Training and Practical Knowledge to successfully support your placement. You will engage in all mandatory tasks to ensure full completion by the end of the department rotation (Kitchen (2) Weeks & Food & Beverage (2) Weeks). Please ensure you always keep your Plan with you (as you would an Assignment) and your trainer signs off on all tasks upon their completion.

Student Name: MOHAMMAD EKRAM HOSSAIN	Department: Food & Beverage	Manager: Kobun
--	---------------------------------------	--------------------------

Welcome to the **Food & Beverage** section of your placement. You will be required to complete a **minimum of 16 hours per week** to include Restaurant, Conference & Banqueting and Room Service.

All students are scheduled into a weekly F&B Rota that is emailed to the Student, University and Property Mentor. You are required to attend all scheduled shifts and follow the attendance policy in the event you cannot attend a scheduled shift.

The Food & Beverage Manager/Supervisor will meet with you at the start of your rotation and discuss shift expectations during your Food & Beverage Placement.

For you to achieve the most out of the *Training & Knowledge* delivered to you on placement, engagement in the variety of shift patterns is mandatory and will allow you to achieve a greater understanding of the diversity of the Hotel Operation:

- Weekday/Weekend - Breakfast
- Weekday/Weekend - Dinner
- Weekday Conference & Banqueting
- Weekend Conference & Banqueting

Please organise appointments with the Food & Beverage Manager/Supervisors to discuss your Plan; Shifts & Rotas and additional training once all mandatory tasks are completed. **It is your responsibility to ensure you are being scheduled according to the completion of tasks listed on your Plan, so please ensure you communicate with your supervisor and ensure you are receiving training on the task list.**

Although the minimum requirement is 16 hours per week, this is a **great opportunity to gain additional experience** in this department. Speak to your supervisor to request **additional hours and training on specific tasks** you would like to explore further.

The Student Schedule with hours and shifts worked is detailed on **Page 2**. Your **successful completion** of the department rotation is reliant on you demonstrating that you **have worked and have been exposed to** the diversity of the department operation. The *Hours Worked and Shift Patterns* will be validated by your trainer and department manager.

Documentation Required for your Placement:

- 1) **The Placement Plan** – Students are responsible for ensuring the tasks included in the plan are monitored and coordinate with Shift Supervisors/Trainers for successful completion of all required tasks. Ensure you are working through the tasks and ensure they are signed off after each shift.
- 2) **Learning Log** – The Food & Beverage Operations Module requires ONE learning Log (750 words) to capture your combined experience in both the Kitchen and Food & Beverage (6 weeks).

Upon completion of the Food & Beverage rotation, you will upload (1) Placement Plan for Kitchen (2 weeks), (1) Placement Plan for Food & Beverage (2 Weeks) and (1) Learning Log (750 words) into Turnitin.

Timely submission will be expected as per university guidelines and the required dates will be posted in the Turnitin Link.
